Look to all that
surrounds you,
Listen to the serenity
of your world.
Catch the scent
of joy and sorrow;
Reach out and touch someone
who cares to share the
bittersweet taste of life.

Our world keeps whirling -
rushing the times by
and marking life
with happenings
Some go by with a wink,
Others,
surprise our essence.
compelling us to respond -
with a cloudburst of rain,
or the dawnbreak of sun.

Remember those lazy days,
When you kicked back and felt as
carefree as the wind?
Every adventure was special,
while the sparkling minutes turned
to pass shining hours of the day.

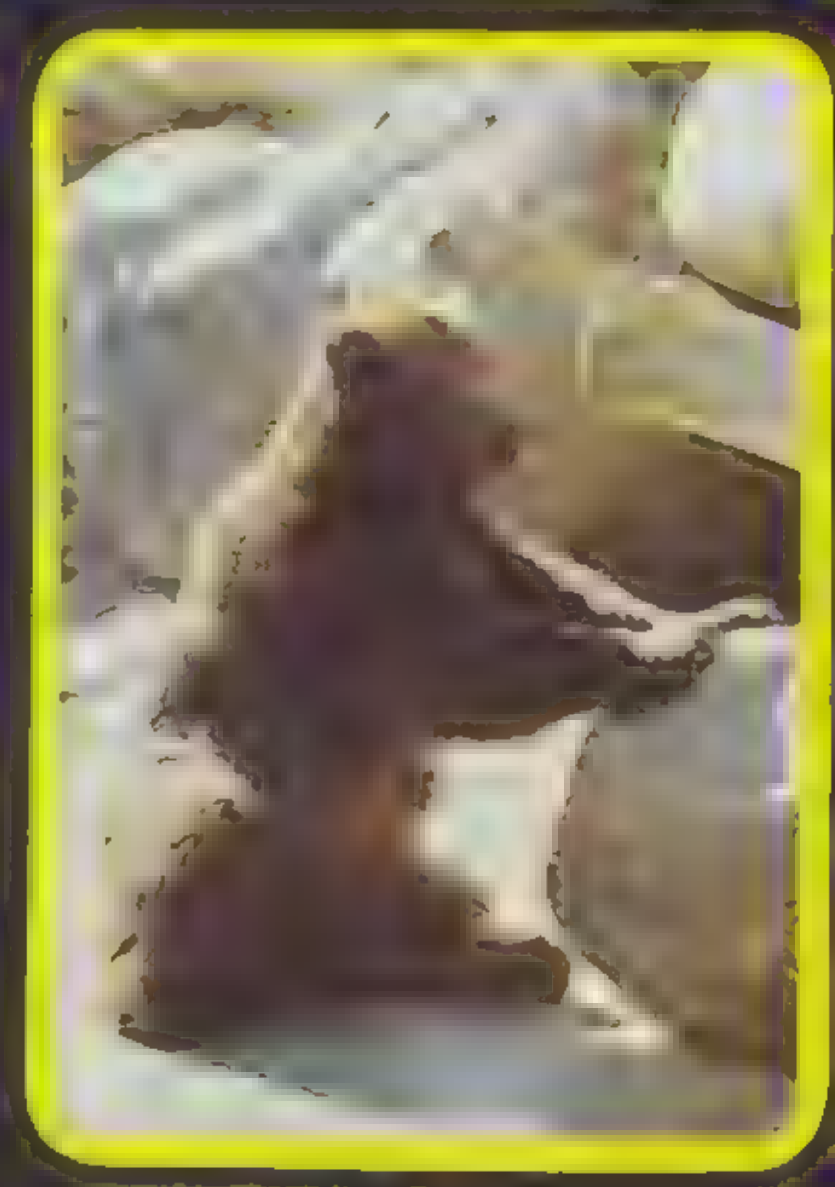

Of course there were times
when you were trapped
with responsibilities.
Yet dreams
of faraway places and faces
still trimmed the corners
of your mind.

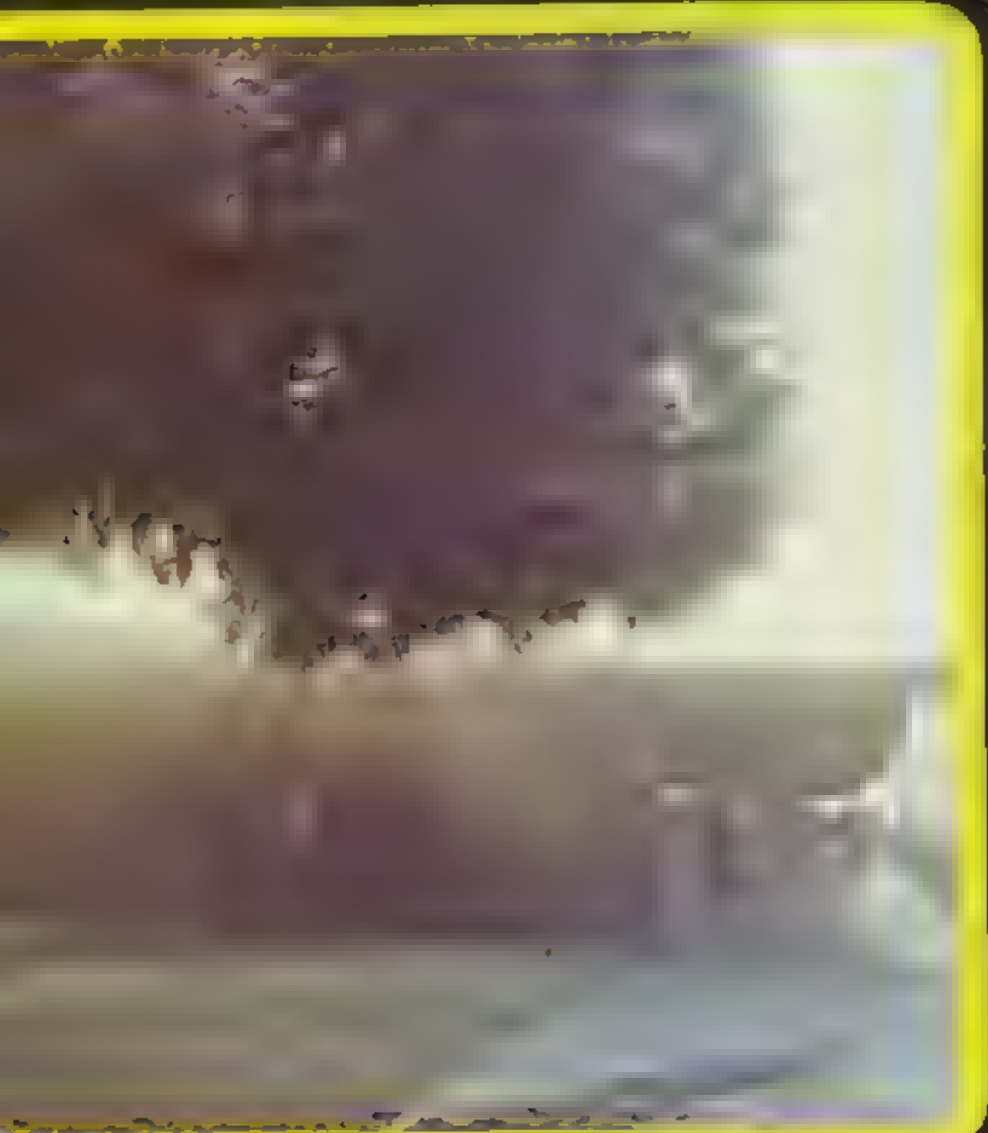

And how about those mischievous twinklings,
When to do something sneaky was
the biggest thrill of life -
Only to find out later it was just
a crazy idea that was wonderful
while it lasted!

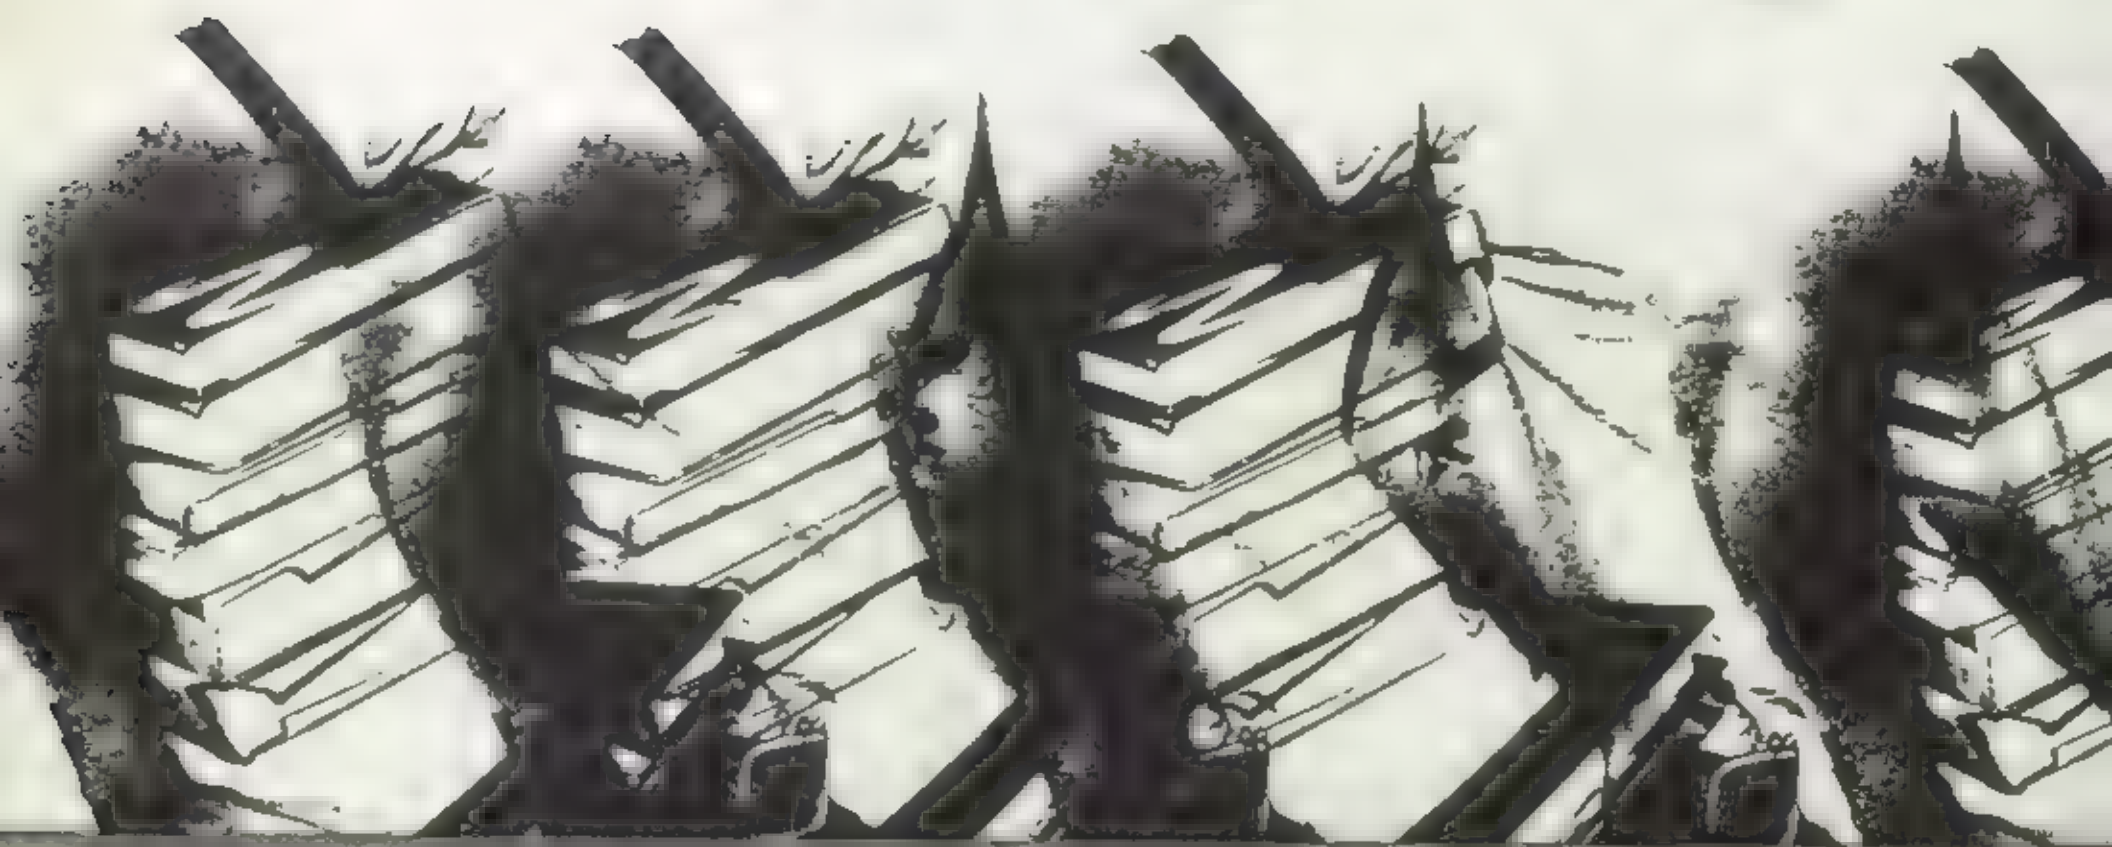

The first time I saw him
 was in the summer of 1964
 when he was a young man
 and was working for
 the city of Los Angeles
 as a traffic cop. He was
 very handsome and very
 intelligent. I was
 very attracted to him.

All these feelings
had their meanings,
Sharing places - times -
people still recalled
Through the eyes and
shadows of Warren High,
Our world was real
and life was all.

ACADEMICS ACADEMICS

ACADEMICS

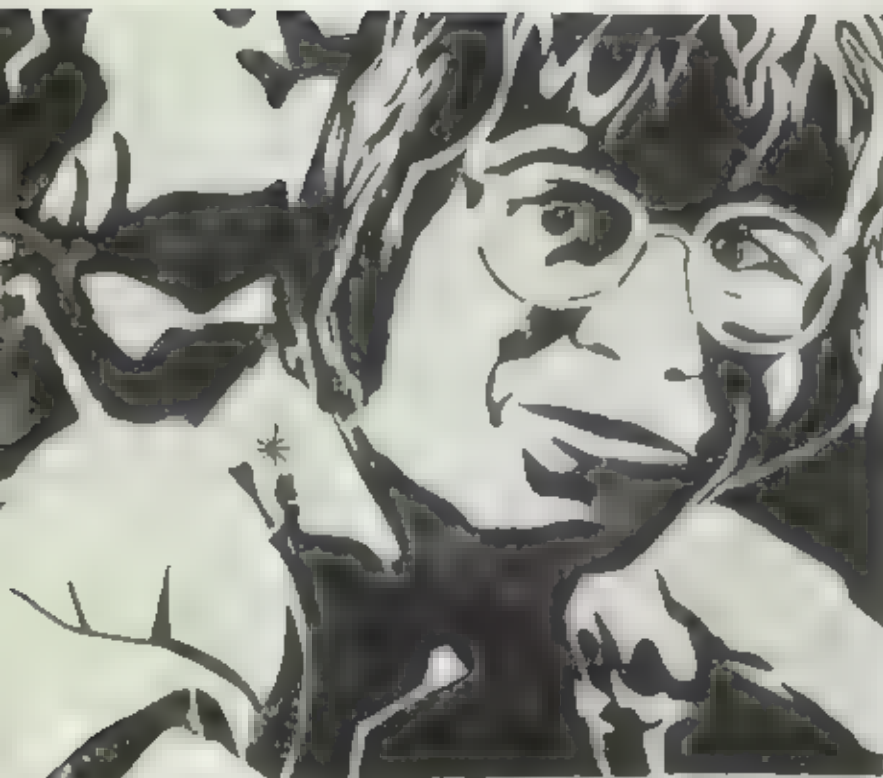

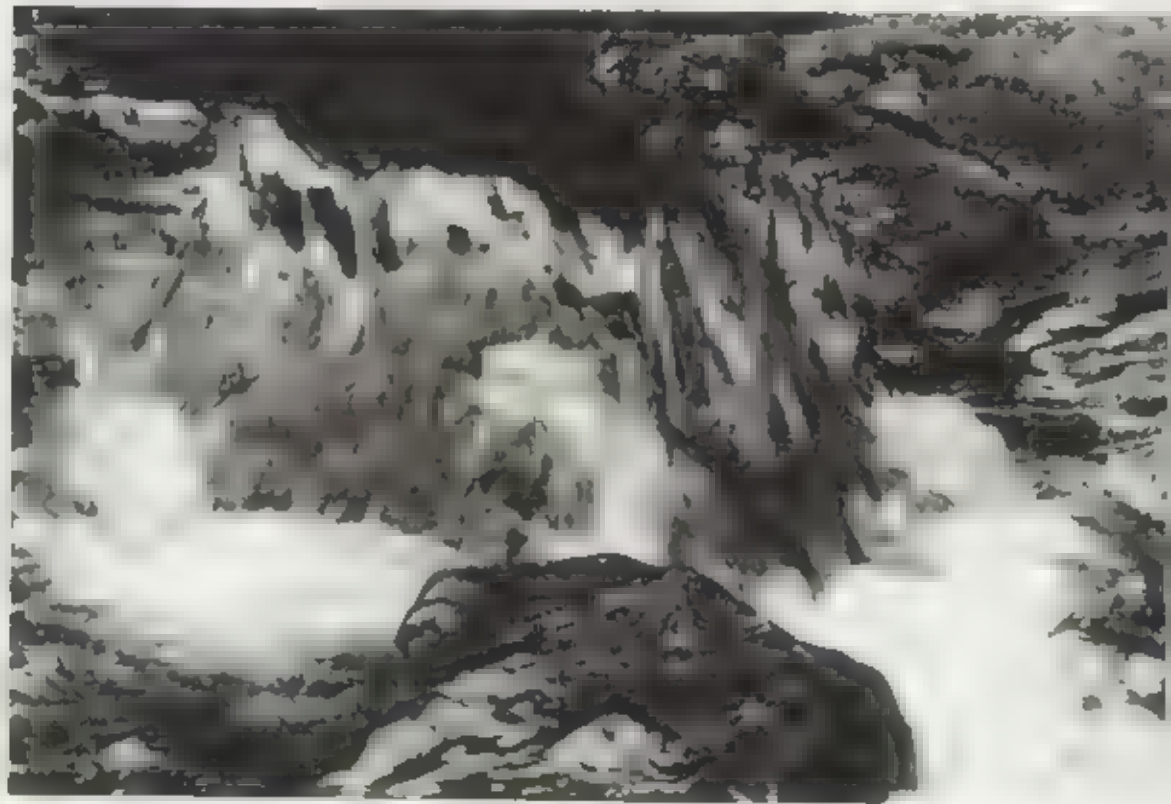

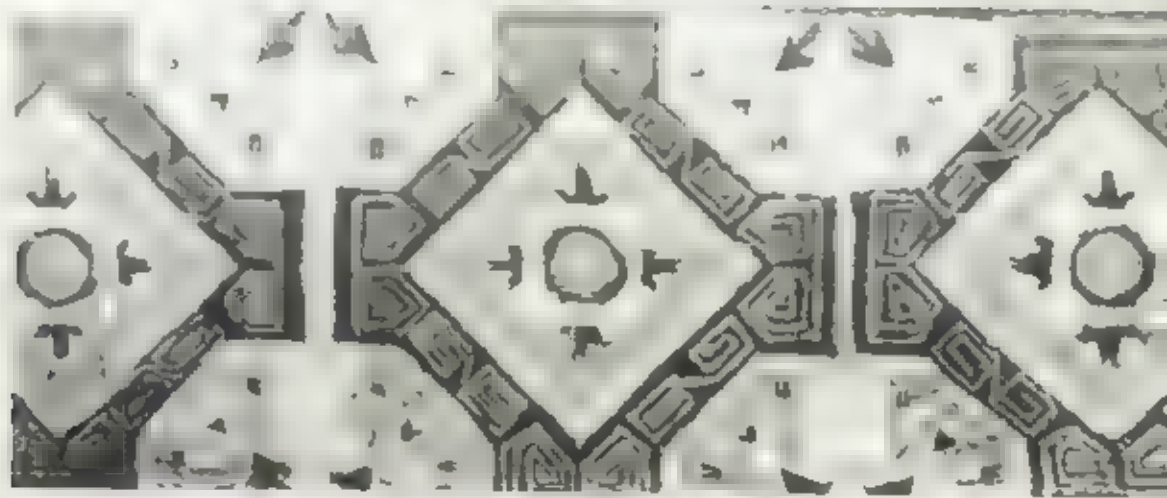

In the following section, the El Orosio School Academy activities at Warren High School. Participants such as Music, English, and Home Economics have been able to offer classes such as Bachelorship, Rock & Bach, and Humanities. The learning experience for Warren students occurred away from school as well as in the classroom. For instance, Biology classes went to study and observe the flora and fauna of Wissness Park. Oceanography Club learned more about the sea on their trip to Scripps Institute. Oceanography, San Onofre Nuclear Power Station, and a special cruise aboard a large oceanographic research vessel. Field trips such as these allowed more room for creativity and enlightenment. Warren has been active in both sports fields and academic work. This section is dedicated to the students who explore the world of the mind.

The newspaper class is where the "learn by doing" method is put into practice. Every two or three weeks, the diligent efforts of the reporters materialize and eventually produce, "The Justice", including feature stories as well as opinion articles, and reports on both boys and girls' sports. It is in this classroom that reporters attempt what might be their future

Whether it be school hours, weekend hours, or sleeping hours, the El Orosito staff did their best to give Warren High a memorable yearbook. A lot of time and effort was spent to take that picture to fit that certain layout to match that particular headline. Not only were their graphical abilities involved in the book, but their creativeness to write as well. The main theme of the yearbook class was "a staff that slaves together stays together", which produced a unique yearbook.

Band Explodes with Sound

The Band showed their school spirit by participating in halftime shows of all home football and basketball games, traveled to away games, and performed at many of the assemblies. They also represented their city and school in area parades, formal concerts, and concert tours of district and area schools. The Band's goal as an Organization was to establish and maintain high standards of performance that will reflect pride in themselves, their school, and their community. This year they have reached their goal.

Sing it Out—Sing it Strong

A strong branch of the Music Department which doesn't get all the publicity they deserve are the Choral Groups. Rehearsals, rehearsals, and still more rehearsals, coached by Mr. Frank Talenfeld, are an everyday occurrence for over seventy people who take part in either Vocal Ensemble or Girls Chorus. These people harmonize together to develop music reading skills, and achieve high standards of vocal performance.

Drama—Improvising the Improvisations

Room E-2 was a real center of budding talent as the Drama Department held their thirty-six hour Improvisation Marathon, on November ninth and tenth. Aside from just having fun, eighteen hundred dollars in sponsorships was raised to help pay for a trip to New York for eight deserving Thespians. The art of improvisation is to take a given situation and act it out, without any preparation beforehand. Fine talent was displayed by Jerry Blockburger, Michael Patterson, Matt West, Malinda Worley, Eric Boege, David Edwards, Val Morgan, and Patty Dolce (all of whom hung in there for the full thirty-six hours). Jonathan Winters eat your heart out!

1. Mike Patterson and Marie Brighio act out the motions of a sewing machine. 2. Dave Edwards and Malinda Worley "boogie on down the line." 3. "Stop!" says Cindy Persion, "Eric's not worth it!" 4. Mandy Worley, Marie Brighio, Jerry Blockburger and Judy Hickman become engine parts.

Banner spells it out

The flashy display of those sparkling letters that spell out WARREN, was again elaborately accomplished by the 1974-'75 Banner Squad. Proudly carrying their letters, Banner participated in both pre-game and halftime performances. Led by Sandy Criter and June Mekker, the Banner Squad marched ahead of the Band and Drill Team to announce the arrival of the Warren Bears.

Among the crowd of cheering students, pride is shown on the faces of every Honeybear. Representing our school, the girls participated in competitions and parades. They raised money by having paper drives and candy sales. Everyone is proud of the great group of girls who support the spirit of Warren.

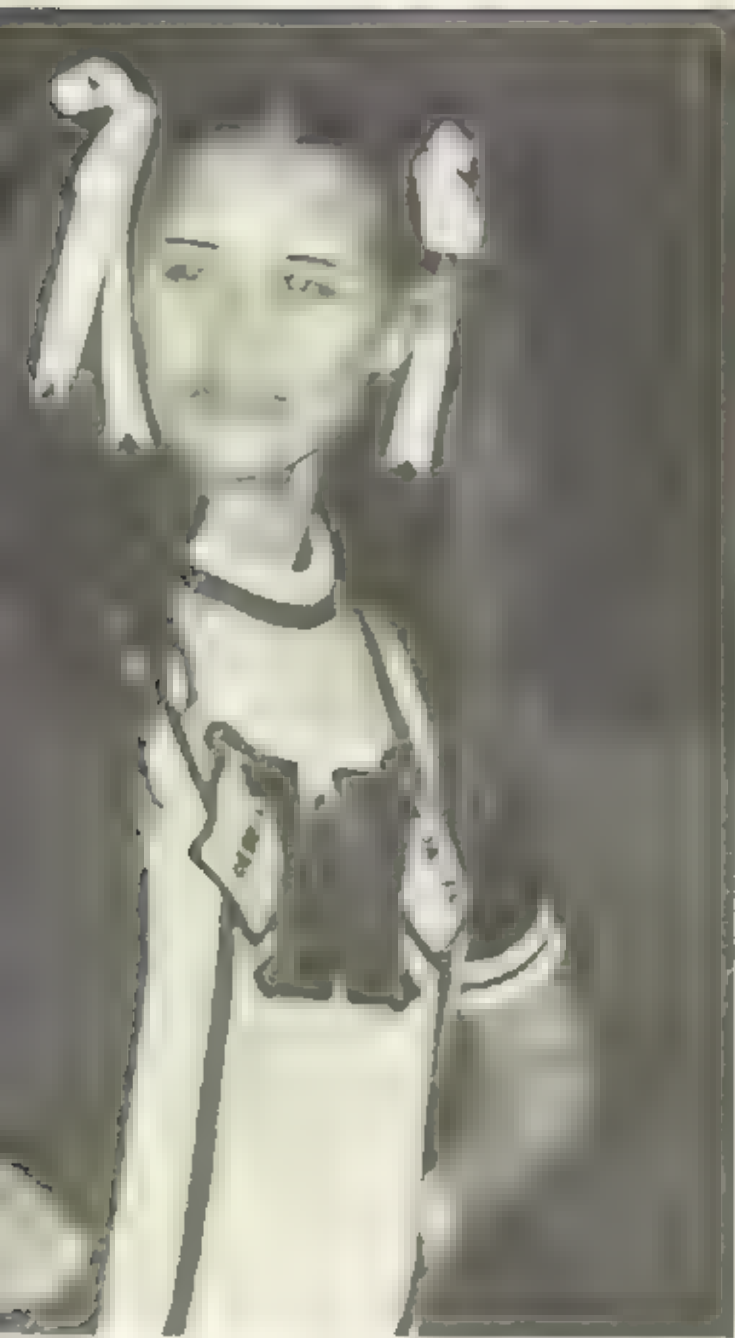

Proud of our school are we cheering the Blue and Gold

Night games, Day Games our Pep Squad is Best

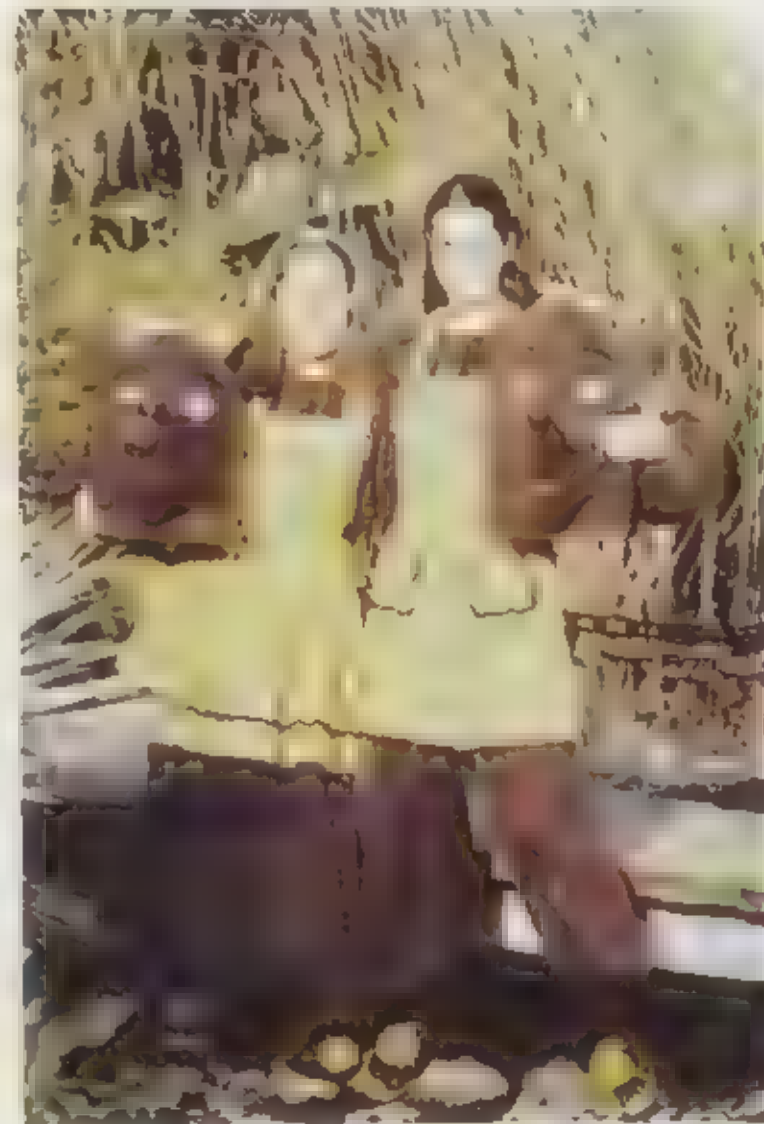

Let's get a little bit Rowdy

Mascots

This year's mascots took first place at camp and were voted "Super Mascots." Always dreaming up hilarious antics are our own Nancy Bauer and Kerry Murray.

Junior Varsity Cheer

These six girls took second place at camp and also "Sweepstakes." They have fun making signs, thinking up new cheers, and yelling the best they can to show they care. Head Meri dee Kelby, Patti Allen, Lori Ross, Cindy Lumbattis, Lisa Reiman, and Valerie Miller are a great contribution to them

Flag

First place winners in Competition, received the "Spirit Jug" at camp, and first place for "The Most Spirited Squad" are: Joan Long, Head Debbie Cleaves, Gayle Sobul, Karen Hansen, Linda Keays, Laura Lueke, Debbie de Schepper, and Maggie Ford. Precise timing is needed to gain the effect of the carefully planned out routines. Many hours of practicing is what makes this squad one of the best Warren has ever had.

Let's get Rowdy Tonight

Frosh-Soph Cheer

Just beginning their cheerleading talents these girls have proven that they are truly bears by taking first place in competition at San Diego State. In the short time that Elaine Iba, Donna Spencer, Verna Lindsay, Head Alexis Holoboff and Shelly Lumbattis have come together as a group they have shown the spirit that has always filled Warrens campus.

Song

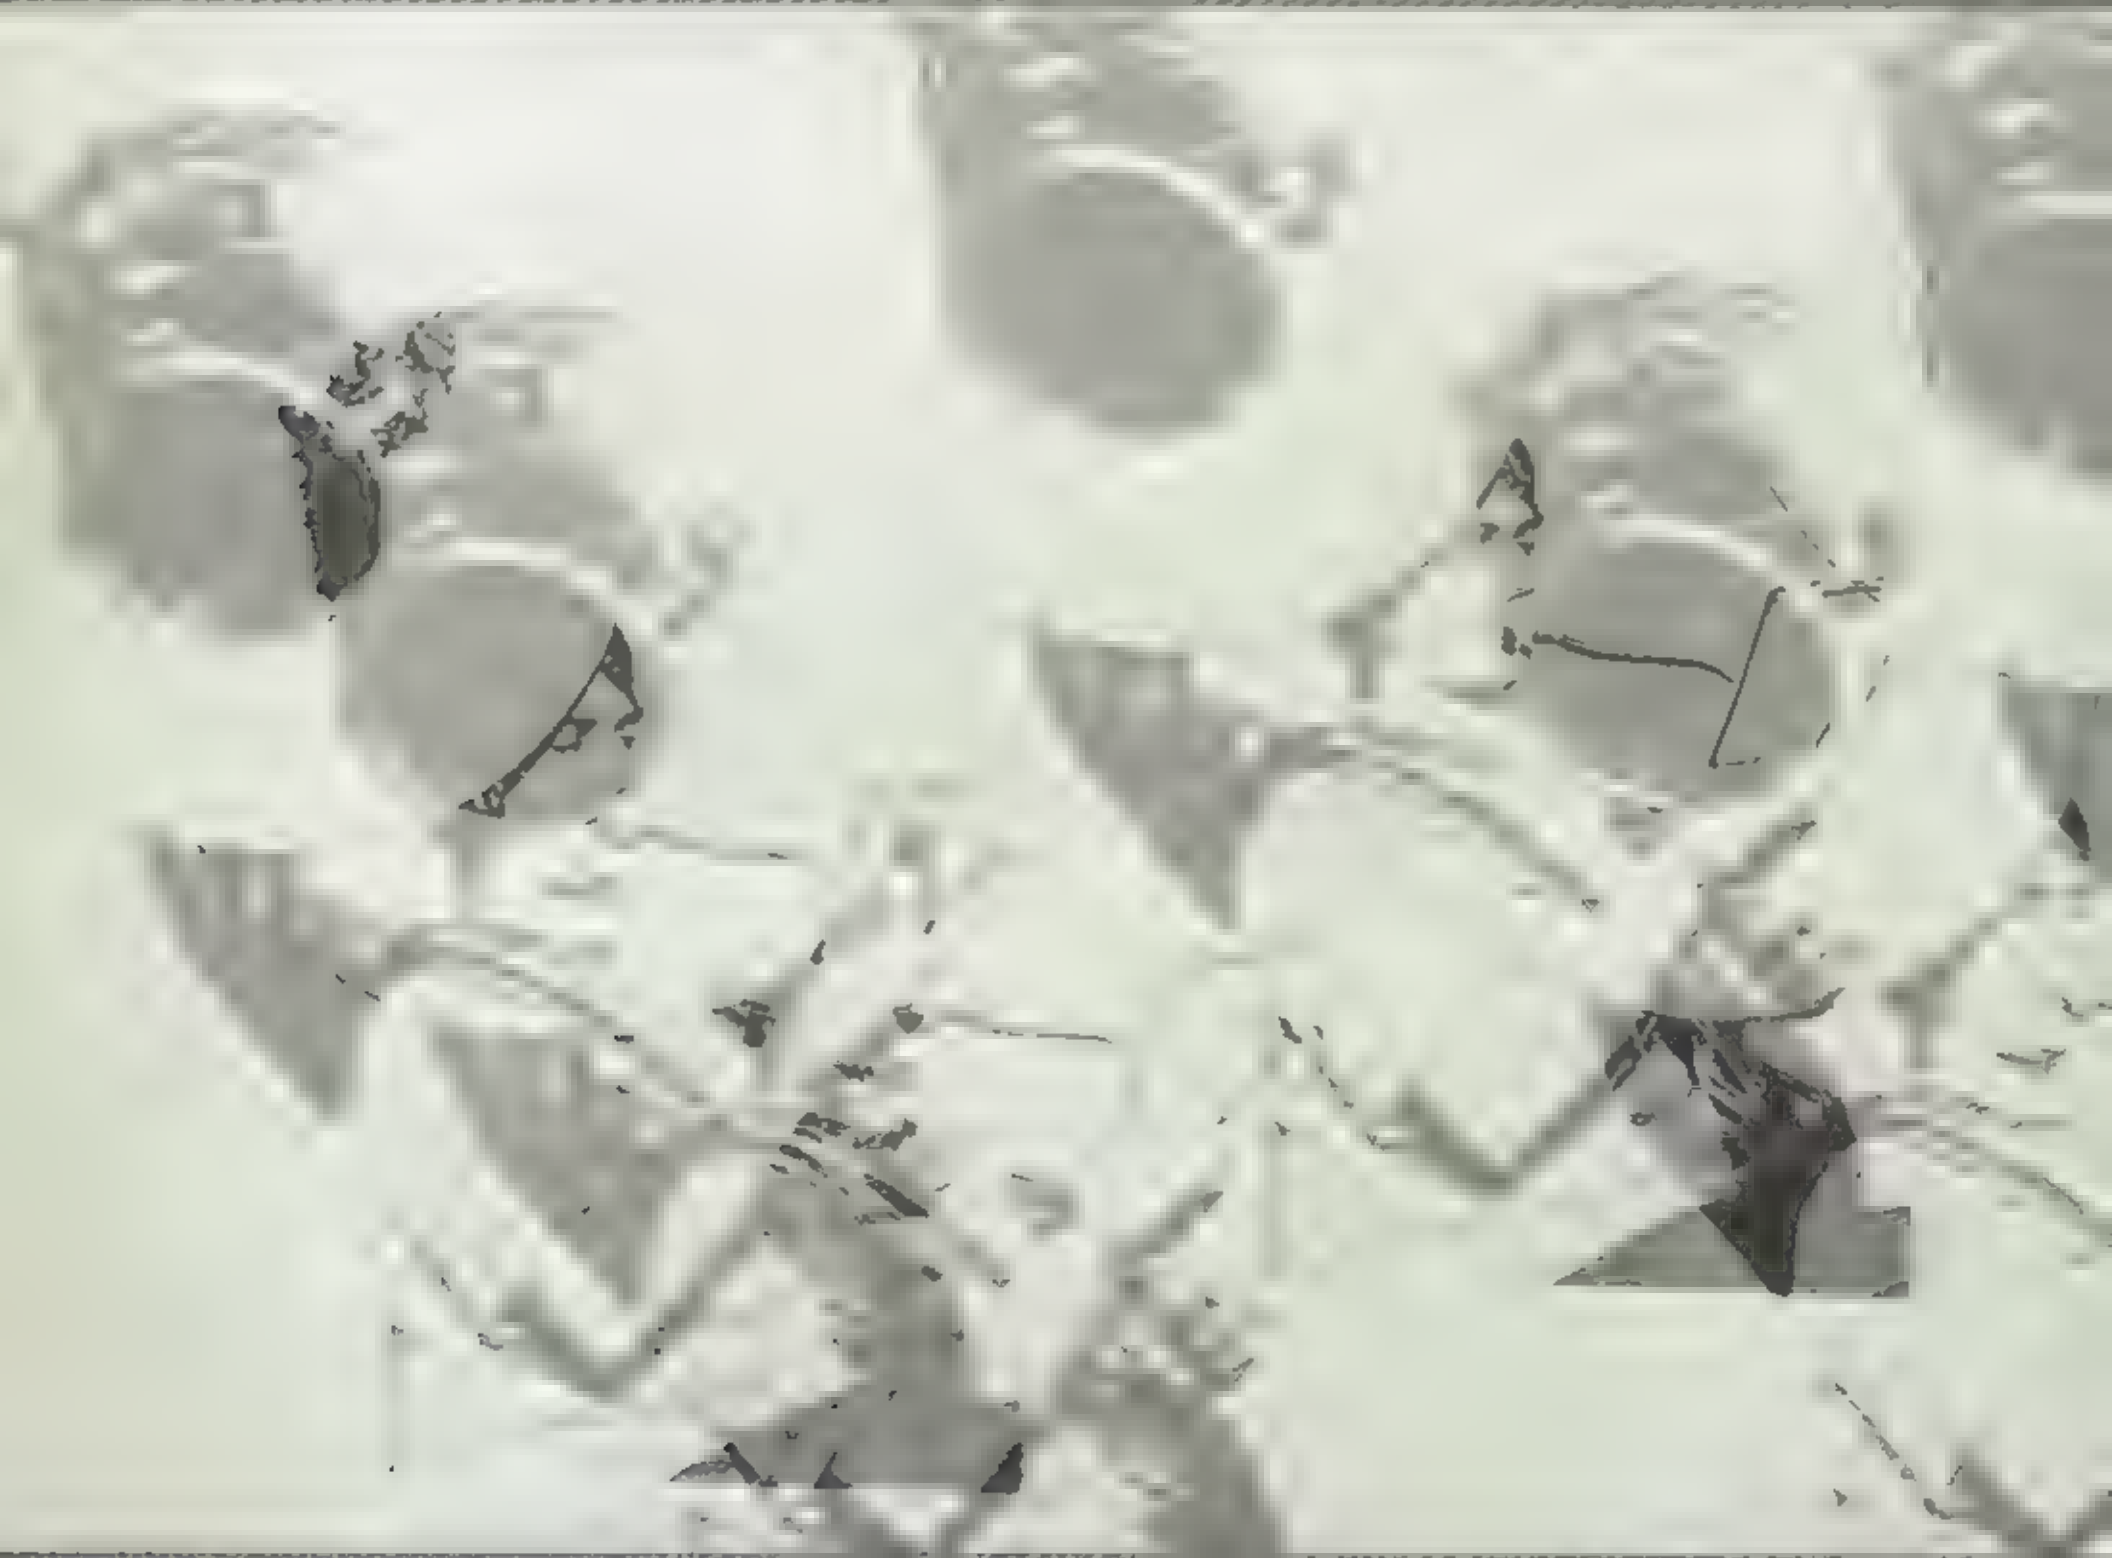

Another first place winner at camp and was awarded "Sweepstakes", also won first place in competition. Excitement stirred as the band played popular tunes while the pom poms shook from the graceful form of the song routines. Claylee Myers, Norcen McCaughan, Marilyn Moe, Cheryl Morck, Diane Birnie, Cathie Gum, Debbie Hypes, and Marlene Thomas add an extra touch of class to the atmosphere of enthusiasm.

Varsity Cheer

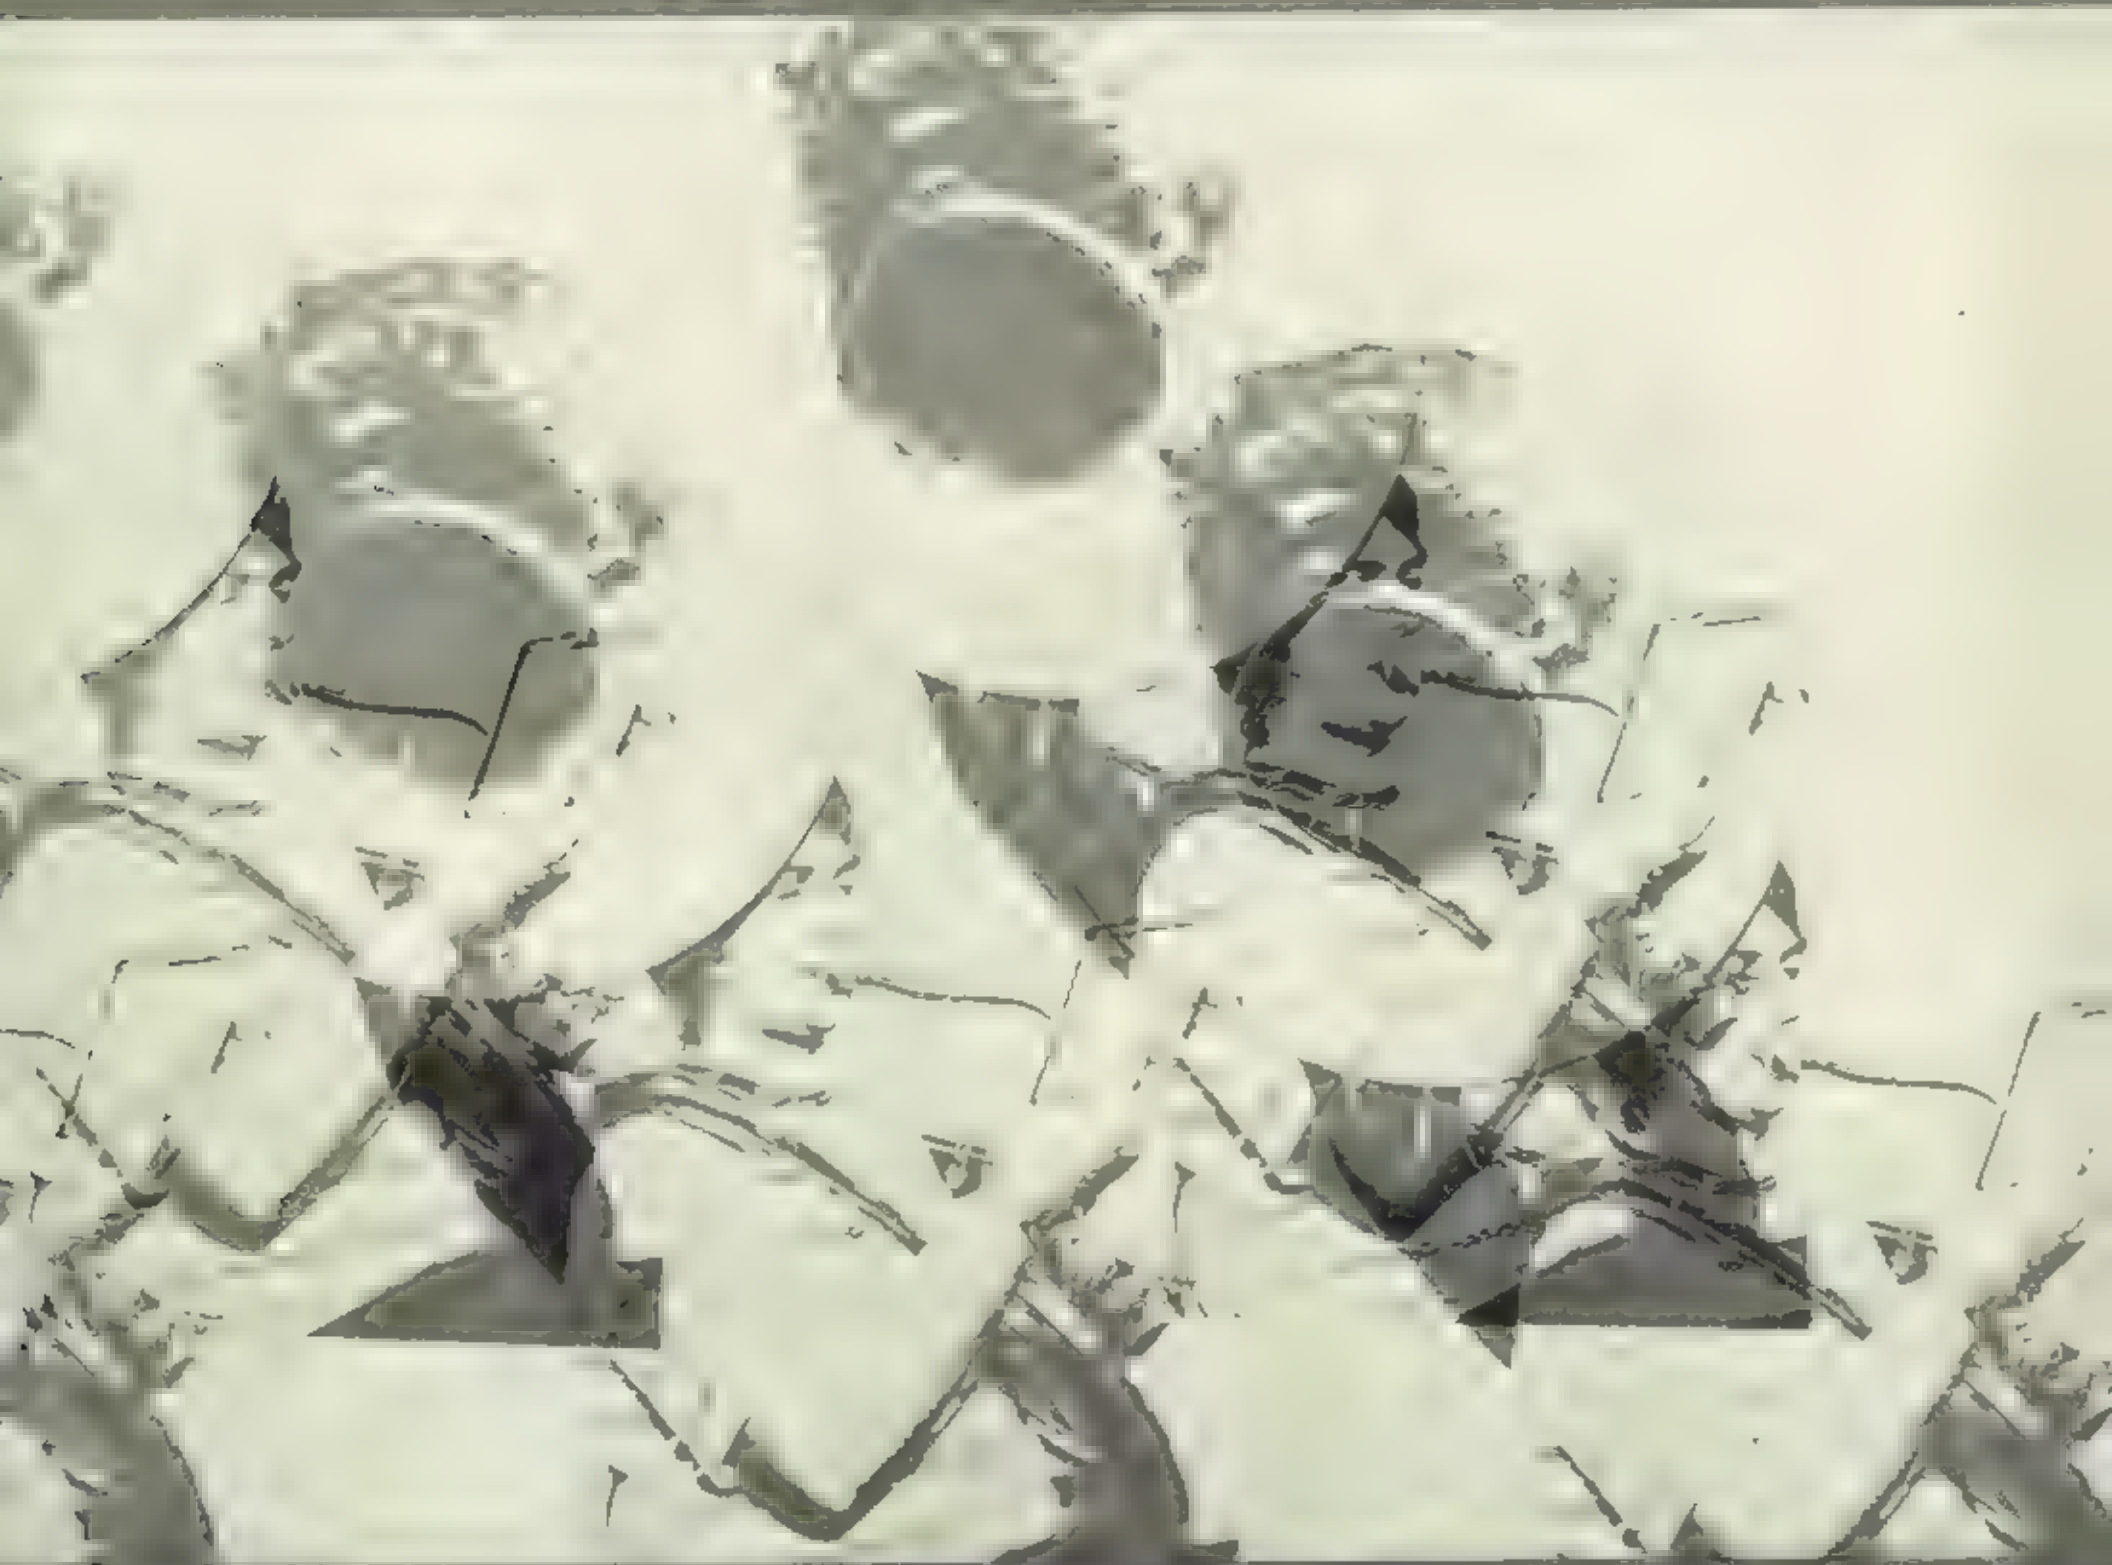

All pep squad members last year, these girls are back again and even better than ever. Terri Purdy, Lynn Iba, Tami Bennett, Kristie McKinnon, Marilyn Guastella, Lisa Lindsay, Lisa Wilson, and not shown Corinne Coronio all took third place at Aroyo competition. The work was hard but it was all made worthwhile by the friendships and hardships that have come about

STUDENT LIFE

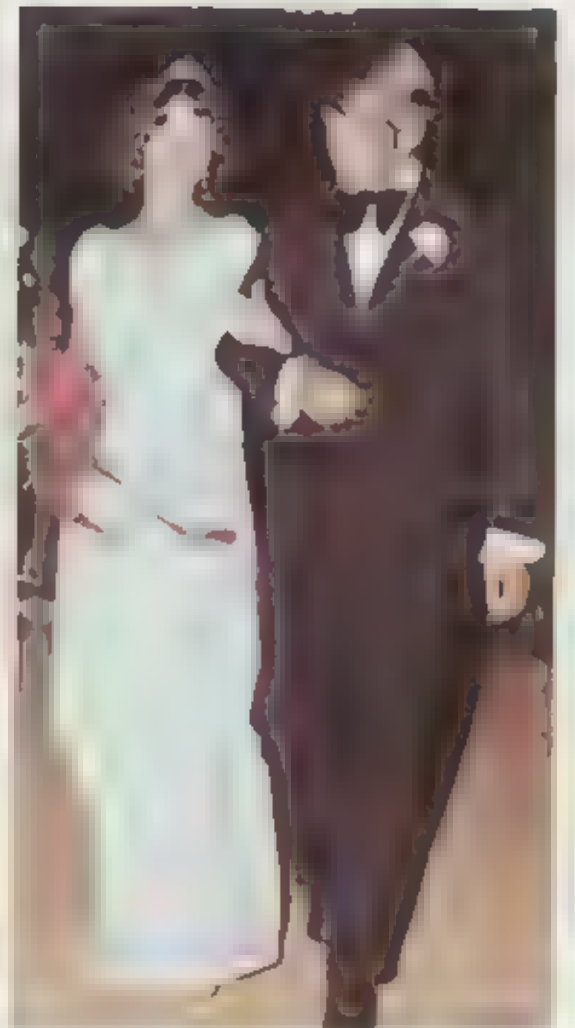

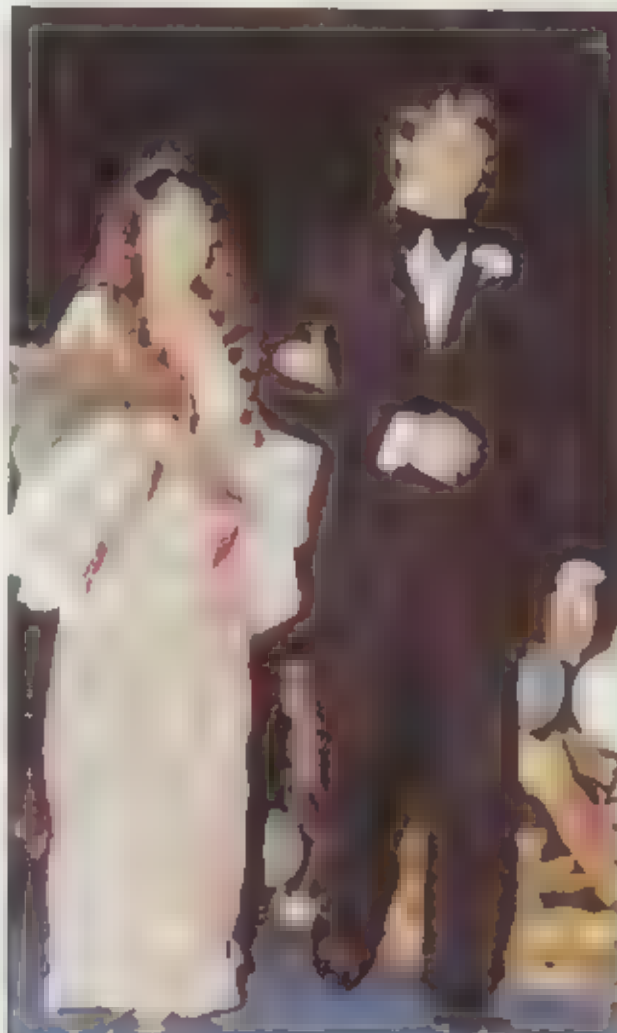

Spirit weeks, pep rallies, and pep shows were welcome interruptions to school days. United as friends, united in classes, and then united in WARREN, with what is uniquely known as "Bear Pride," we celebrated the victories and suffered through the defeats. Class parties, Homecoming, and dress up days were bright spots among our studies. Time passed, and the gap between teachers and students slowly closed; the feeling of alienation vanished, and the final outcome was friendship. We look back on happenings such as these with pride, for ourselves on the back in the knowledge that we have had another good year of Student Life.

Homecoming

1973 Homecoming Queen Melissa Jensen crowns the new Queen Lisa Lindsay and the new court consists of: 1. Rex Natzke Imp. Sophomore Princess Valerie Miller escorted by 3. Jeff Bjell escorts Senior Princess Judy Berckhoff 4. Lisa Lindsay 1974 Homecoming Queen 5. Junior Princess Anne Starker and her escort Chris Carter 6. Chap Parker escorts Senior Princess Len Carey 7. Senior Princess Nicky Bartlett and her escort Jim Mangrup 8. Freshman Princess Donna Spencer is escorted from her car by her escort Brett Harrison.

a Memory for All

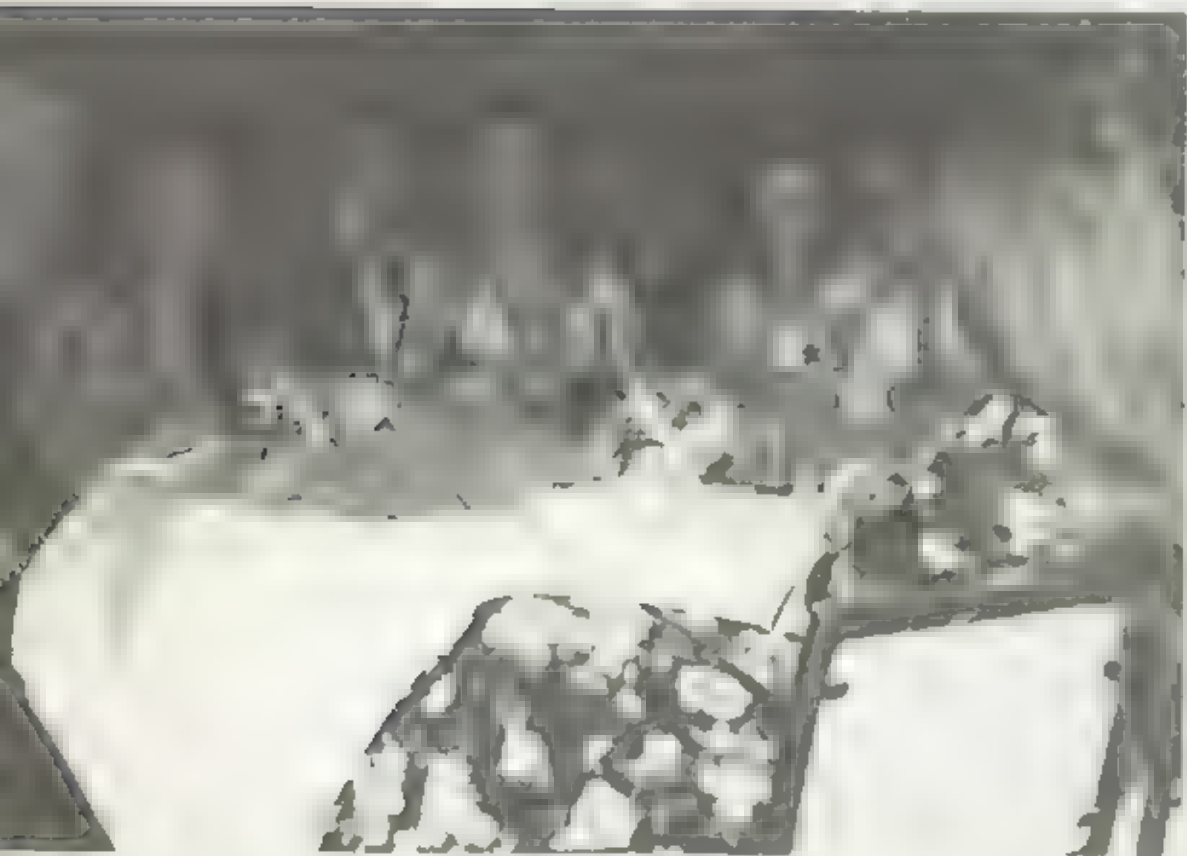

Votes were tallied, the Queen is picked but not yet known. It's half time on the football field. The feeling of suspense is all around. Who will it be? The announcement is heard for tonight is born a Queen. Tears of joy are shown, reality replaces dreams and memories go back into that little corner of your mind.

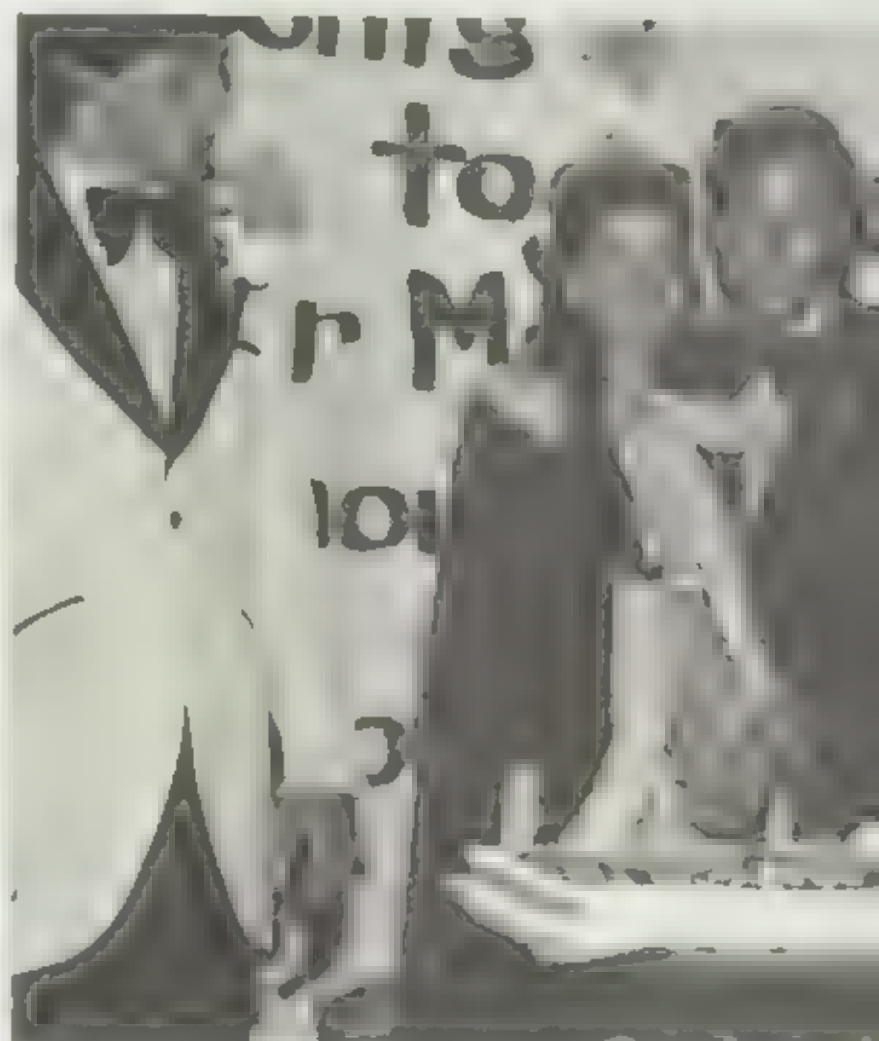

"Colour My World" sets mood

"Colour My World" was the theme of the Homecoming Dance which was held at the Sheraton Universal. An invitation was extended to all the student body for what turned out to be one of the highlights of the year. Coming home, were alumni, both young and old who came to enjoy a long standing school tradition. The band, Blue Sky, played many hit tunes, as well as some oldies, bringing back just a bit of nostalgia and made this year's Homecoming Dance one of the best in Warren's history.

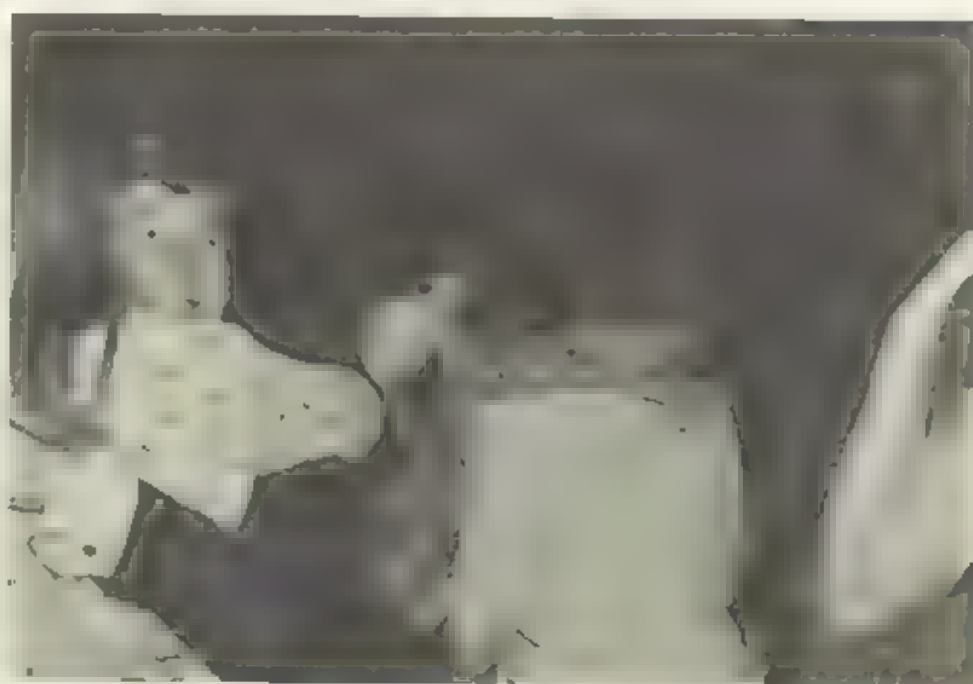

1. Blue Sky lead guitarist introduces the next song. 2. Tammy Fisher finds date very attractive. 3. Tami Bennet, Kevin Olav Noreen, McCaughan, Kristie McKinnon, and Dennis Leeds smile pretty for the camera. 4. Queen Lisa Lindsay and escort Steve Davis cut the cake

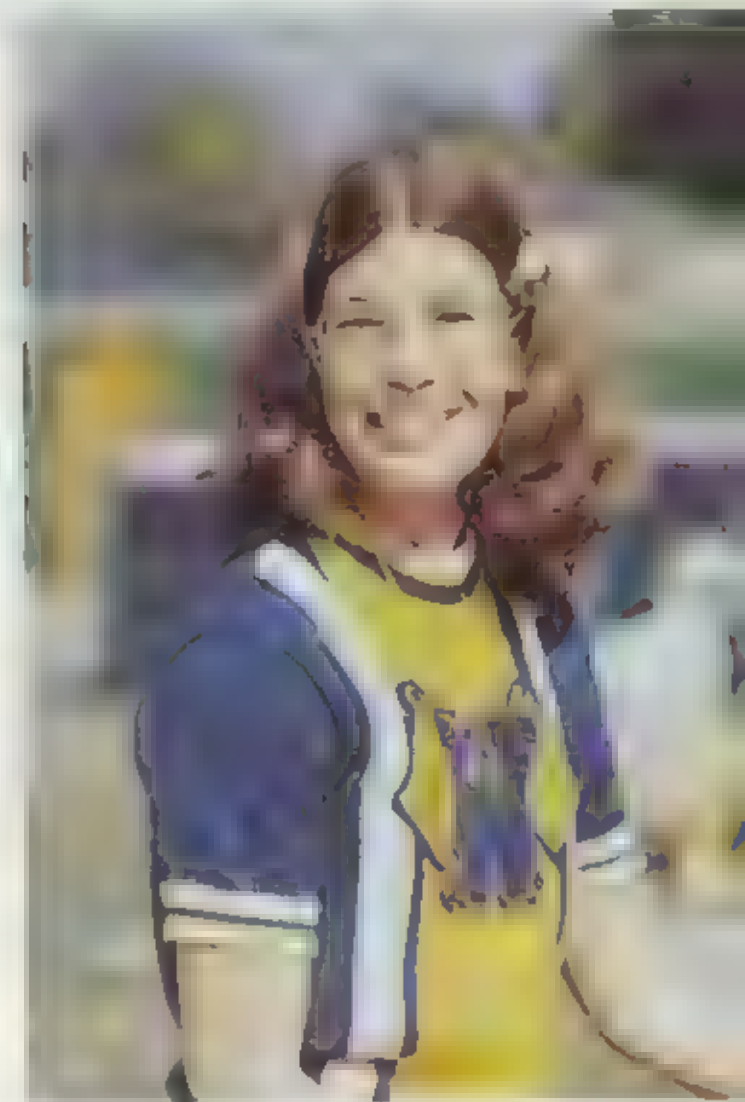

while Brian Lumsden and Donna Spencer look on. 5. The last dance finds couples wishing it would never end. 6. Alumni Mike Samon and pretty Rhonda Scott enjoy themselves at the dance. 7. As the lights dim, Blue Sky plays a romantic tune.

"Duck Season" October 28-November 1

1. Showing their usual spirit are members of the Senior class, the duck, Valerie Martinez, and the bear, Sally San Filippo. 2. "Do you have any last words?" say mascots Kerry Murray and Nancy Bauer to terrified Downey Duck Spy Steve Wilkinson. 3. Imitating Downey cheerleaders are Dan Murray, Tim Hayes, Marc M... Denny Leeds, Kevin Rysavy, and Brad Miller. 4. A beautiful smile of Karen Hansen.

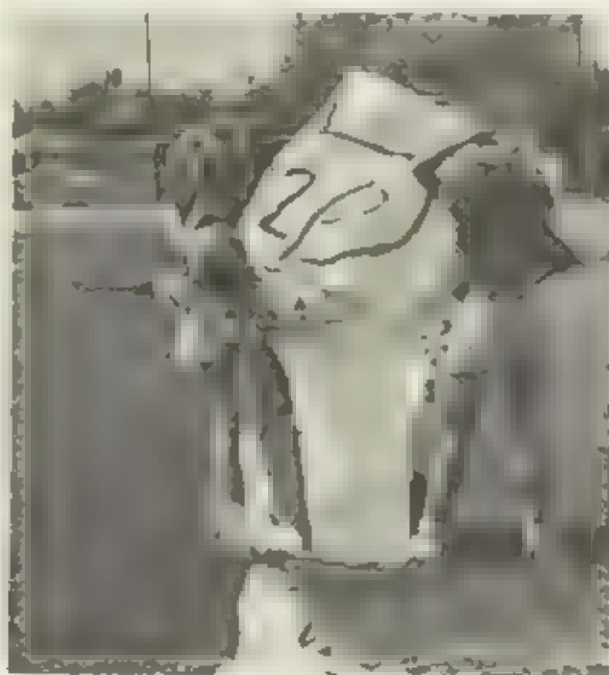

Duck Season is the traditional week of rivalry between the Warren Bears and our cross-town rivals Downey High, which consisted of signs, teddy bears, duck hats, fun, and excitement for the whole community. On the last day of the week, the all school pep assembly was interrupted by two Warren students who found this enormously stupid looking duck spying on our school. The ugly duck was brought forth to the student body to be disposed of, but was mercifully let go to suffer the consequences of Downey's defeat by the Warren Bears.

Express Yourself on the 31st

"Monster Mash Day" was a smash! The day called for students dressing in every way imaginable (and unimaginable). Students who dressed up were called up to the platform to receive their prize, a stick of gum. Student Council held a clap vote for the best costume and though it was close, David Garza won. By all standings the costumes were unique and of course so were the students who wore them. The support of the Student Body helped make the day fun-filled and colorful.

1. Ann Rastutis, Karen Sanchez, and Robyn Rahens caught by the camera in their unique garb. 2. The Count (Randy Guynn) sneaks around the corner in search of a neck to bite. 3. Students clamor toward the platform so they can point fingers and remark at those on the stage. 4. David Garza poses shyly for the camera. 5. Though he didn't get as many claps, Brent Haines dressed as Tarzan which got more whistles.

Teachers: not as tough as they seem

Basketball
Varsity vs. Faculty

The opening game for the Varsity Basketball team was a just for fun game against the Faculty members. The game score 107-86 in favor of the Varsity team sounds like a raverage game, but it was not. Seeing respected faculty members fly through the air and land on their well-sav backs, will be a memory the students won't soon forget.

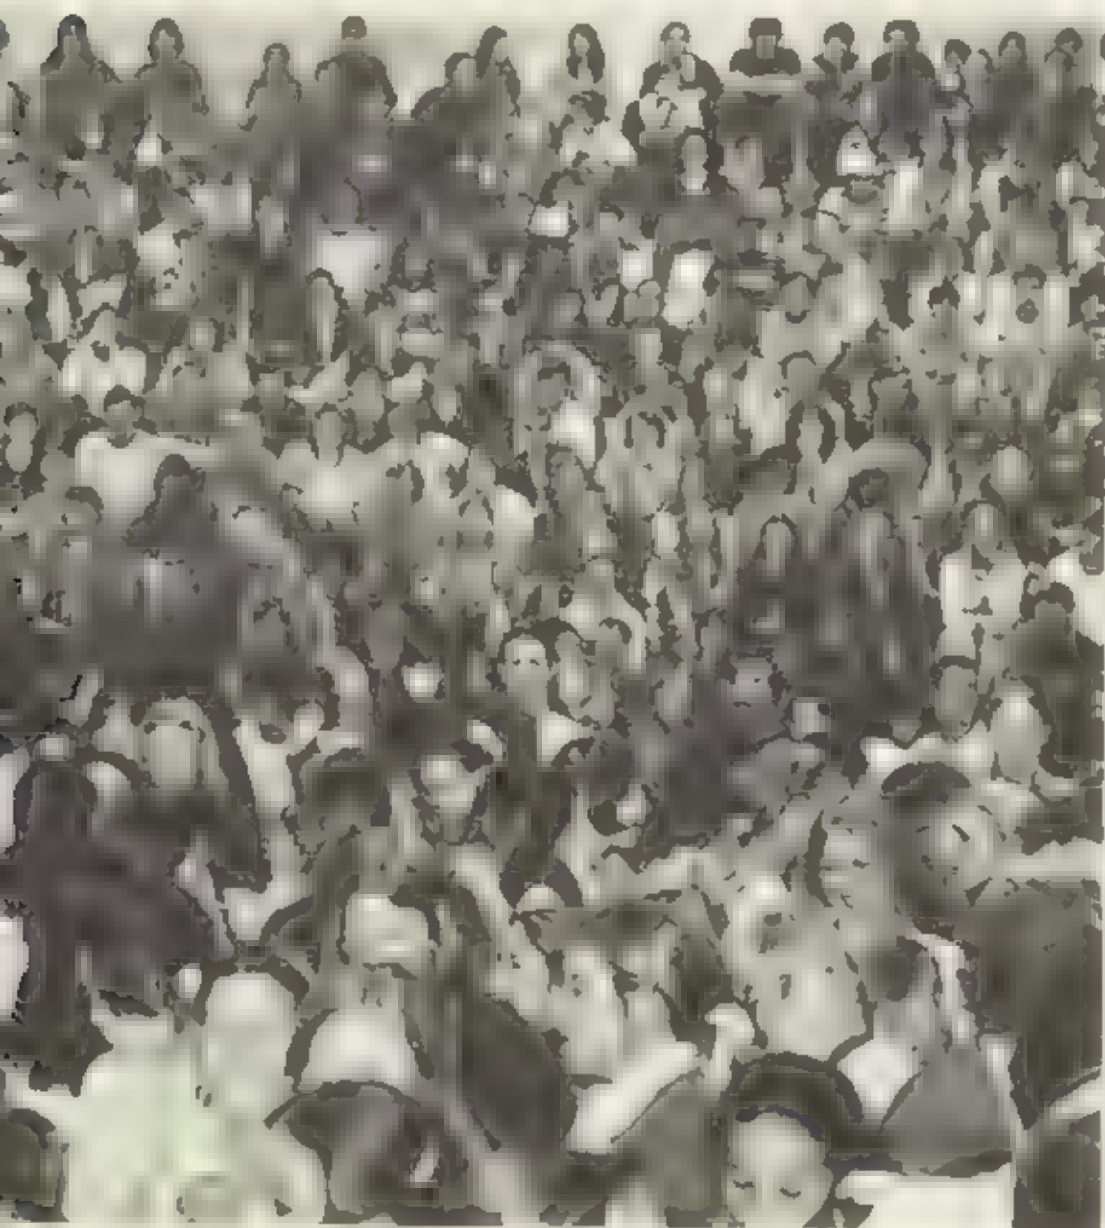

Teachers take note: are the thoughts and actions of Coach Eric or Ken Wickert? Coach Schmitt, Mr. Keller, Kevin Kysavy, and Mr. Hart play King Around the House 3. When I was younger I could point out the ex-actors, Coach Keller and Schmitt as Varsity players converge.

Turning Back

Students went all out in effort to turn the clocks backwards with the guys in black leather jackets, chains, sunglasses; and the girls in pony tails, bobby socks, and saddle shoes. You could hardly recognize people with their hair slicked back or in a real cool ponytail. The Rats were the gang of the day as they paraded the halls ready to rumble, followed by the hoots and hollers of students. The day was highlighted by a sock hop in the gym where a 50's style group, Crystal Ship performed and students shook a crazy leg.

Spotlights Curtains Cameras

The theme of the Talent Show was "The Today Show", hosted by Danny Marson, Brad McMahan, and Doc Riemanson. Danny introduced the show with his usual ten minute monologue which was received with mixed feelings. Many fantastic and unusual talents were exhibited throughout the show. Sparky and the Spazmaties, Geraldine, and many other talents. During acts, the crowd was entertained with commercial quips of hilarity from Danny, Doc, and Brad. It was an experience the students and faculty will not forget.

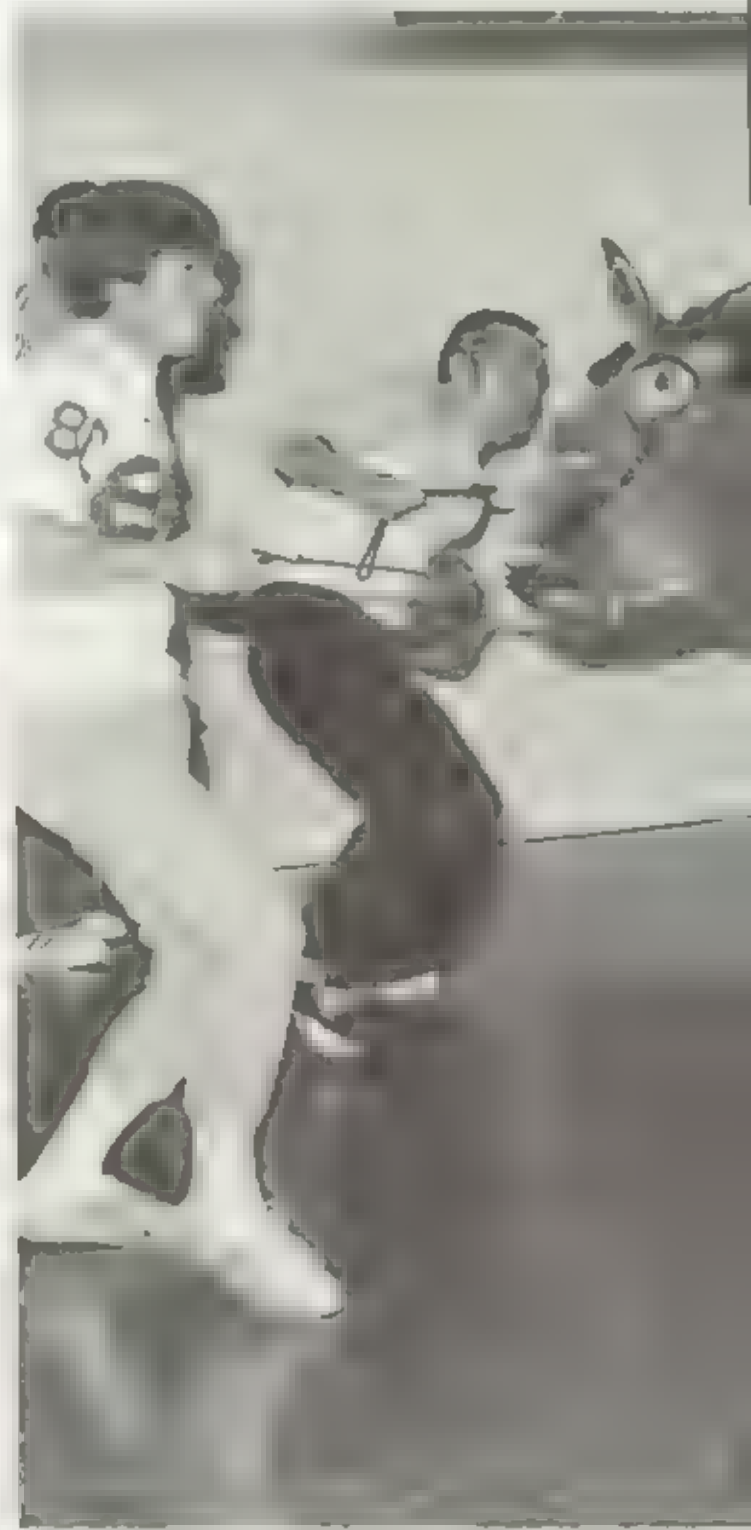

Next it's Broadway

1 The extremely limber Claylee Myers shows off her personality and pep in her Gypsy dance. 2 Danny Marson (Dan Murray) doing his routine, which doesn't seem to be a hit by the expression on his face. 3 The graceful moves of Fernanda Castelli was displayed in her Hawaiian dance. 4 Yvonne... I have heard a pin drop when the very talented Fern Castelli was singing a song she had written herself. 5 Andrew Sisters, Karen Baney, Diana Moore, Karen Diers and Teresa Watson doing a medley from the 40's.

Police Win Grudge Match

Members and friends of Warren High Faculty and Downey Police Department joined to watch a different kind of sport in this years Interact sponsored, Donkey Basketball Game. It was a grueling test for man and beast as the Warren Faculty versus the Police attempting to stay on the animals as they scored the most points. Playing tag of war with the donkeys and getting bruises were all part of this years exciting game which ended in a win for the Downey Police Department.

Sunday In New York

"Sunday In New York" was a romantic comedy which concerns Eileen Taylor who claims to be "the only 22 year old virgin left alive", and the wrestling with her conscience over today's modern morality. She arrives in her brother Allen's apartment in New York for a week's stay after her break up with her boyfriend Russ Wilson. Her brother tells her to hold onto her values. That afternoon she meets Mike Mitchell and after getting caught in the rain she brings him back to her brother's apartment where she proceeds to seduce him. In the meantime Russ walks in, proposes to Eileen, and takes for granted Mike is Eileen's brother. In the confusing scenes Eileen realizes she has fallen in love with Mike and as Mike says to Eileen at the end of the play, "I can tell you're the kind of girl who likes to marry the guy. I love you Eileen, remember that part. It's important"

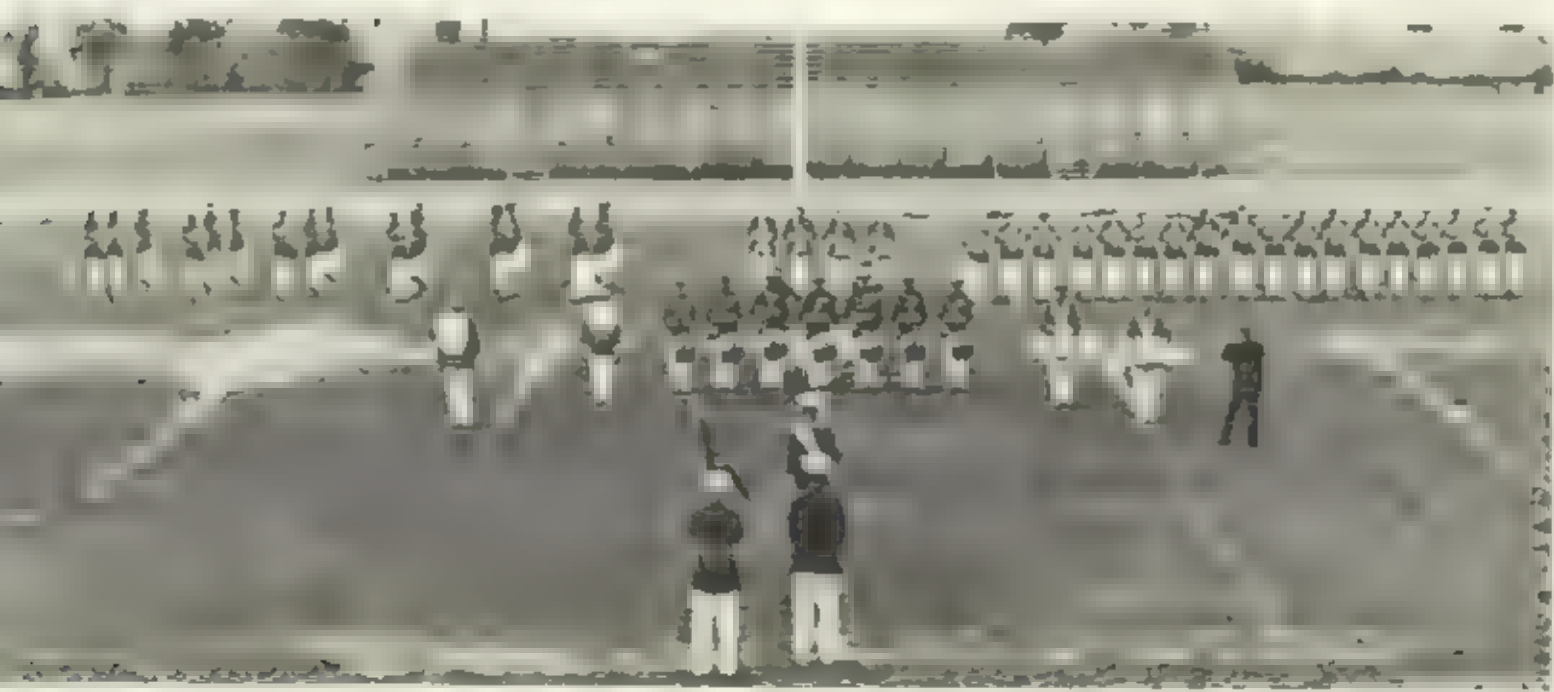

March to the Sound of different

The United States Marine Drum and Bugle Corp bestowed a great honor on Warren High when they delighted our student body with their fancy footwork and precision routines. Each year, only two schools in California are so honored. This Drum and Bugle Corp, along with the Silent Drill Team, are the President's own, and they have traveled internationally performing for amazed and privileged audiences. While the band played on, the talented drill team performed exercises using guns with bayonettes where exact timing and steady skill are required. All those who witnessed this great event, will retain that memory forever.

Hillbilly's Ho-Down

The annual "Sadie Hawkins Dance", sponsored by Letterwomen's Club was held Friday, March 14. The dance had the largest turn out ever, topped off by another first of two bands "Crystal Ship" and "Shady Oak". Marvin Sam (Wayne Woltsburger) was kept very busy throughout the evening by the continuing fluctuations of eager couples. Contests were held for the Best Dressed Couple and King and Queen of Dogpatch were crowned. The outfits were both unusual and creative and the bands kept the dance hoppin'. Congratulations go to the Letterwomen's Club for giving the best Sadies ever.

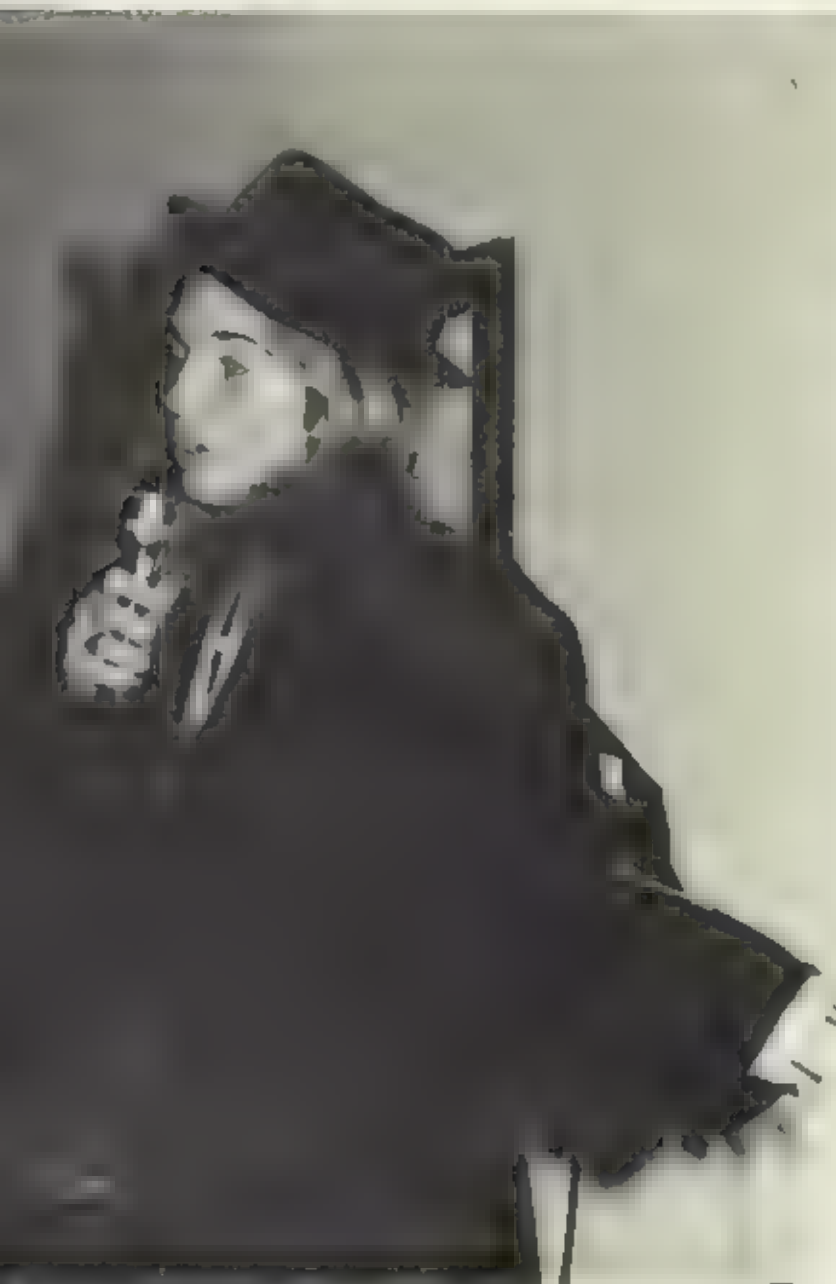

1. "But why can't you marry all of us together!", begs Carolyn Griffiths, Cindy Nichols, Mike Mundia, and Mike Hooke to Marvin Sam (Wayne Woltsburger) 2. The winners of the Best Dressed Couple were Gayle Prokopp and Kevin Rysavy 3. Shady Oak performs a creative tune while the other band "Crystal Ship" takes a break 4. A panoramic view of a lively bunch of boogie hoerins' ho-bulies. 5. The camera records the happy faces of Patti Allen, and her date Mike French. 6. Randy Guvnn takes time out from his date Jill Mason to give the camera a knowing look

Girls' League made the supreme effort of outward friendship by joining with Downey High in presenting the "Dating Game". Students from both schools crowded the Downey Theatre to see the unbelievable event. There was a pep talk from both announcers and then the show began. There were four dating games, two with Downey guys, and two with Warren guys. Though the Warren girls were smiling, happiness in winning could only be measured after the date. Between dates there were commercials by a terrific comedy team who did a take-off on an old "Lone Ranger" radio routine and a couple of other hilarious skits. The sterling voice of MC Mike Coppenger accented the evening and helped to make the show a success.

Feeling shown through Mind of Dancer

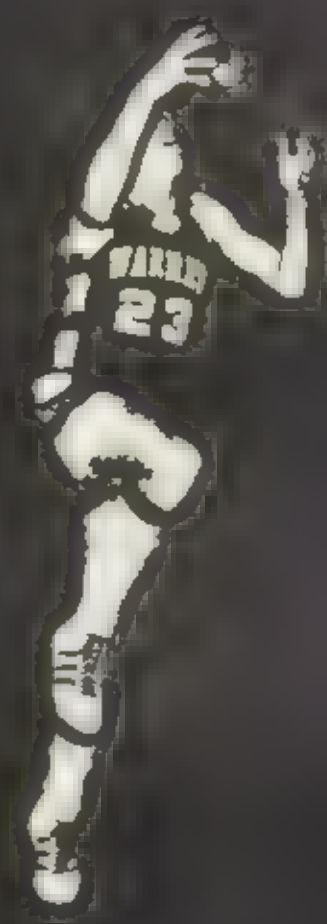

Modern Dance was developed for girls at Warren to have a better understanding and actual experience of modern dancing. The girls form together in groups to choreograph the dances to fit their music, whether it be flowing arms and legs to subtle music or lunges and kicks to the hard rock beat, each is unique in its own way. Modern Dance teaches people to transmit by dancing their feelings to the audience. Besides setting up a show for Open House, each year the Dance Department puts on a Dance Show, under the direction of Miss Sally Carmen. Money made off of this effort is used to buy new dance equipment for the classes. This year the girls have proven to be a valuable asset.

1. L. C. and C. Ingwersen display a modern pose. 2. As you have a run in your leg. 3. Sally Carmen performing a Pelvic Lift. 4. Betty S. Hutton attempting one of the more difficult positions in modern dance.

#98 Eric Barnhart struggles to earn more yardage against Edison after making only two repetitions. During Nate Nigro's leaves, Dick Littleton is the star as Edison Barber lays down a rock after their rivalry with Edison by the Bears. After a special by Eric Harper + Clark W. Smith, Harris gives quarterback Eric Harper sufficient protection on the sack field. Eric Harper and Clark W. Smith are two of Warren's strongest offensive players.

For the third time in Warren's history, our Varsity Football team went to the CIF finals out of a three way tie for second with Lynwood and Downey.

Warren's strong running offense is headed by Captain Eric Hipple, Quarterback, who rushed 562 yards for 12 touchdowns along with Duncan Barber rushing for 581 yards and 5 touchdowns. Clark Wilmoth was second in scoring for the team with 6 touchdowns. Even though his effort did not place him high scorer on the team, a great percentage of Duncan Barber's yardage put the team in scoring position.

Even though individuals stand out as great, team work stands out as the force that really produces a winning team.

Sophomores take S.G.V.L. by surprise

The future of Warren's football team looks better for the next year than it has ever looked before. To see this you only have to look at this year's sophomore team. This team showed the true Warren spirit, for after losing their non-league games, these first year Bears came back to finish as the undefeated league champs.

The closest these Bears came to losing was against Paramount when the score was 0-0 in the fourth quarter and Paramount scored for six points. With twenty-one seconds left the sophomores scored a touchdown and an extra point to win the game 7-6. Two weeks later these first year Bears showed the Downey Ducks that you don't rowdy around with Bears no matter how young.

1. Stan Davis gives Lynwood a run for their money. 2. Jim Fuernmayor and Jim DiCarlo start the first motions of running back a kick-off. 3. Scott Vernov halts the Bellflower drive with another one of his interceptions. 4. When the offensive quarterback barks out his signal, the final hike is uttered, and the opposing lines clash as two rams in battle.

Outstanding results from a first year try

Not only was Coach Richardson new to the school, but also to the Freshmen Football team. This first year team came in fifth in league play with shutouts against LaMirada and Bellflower.

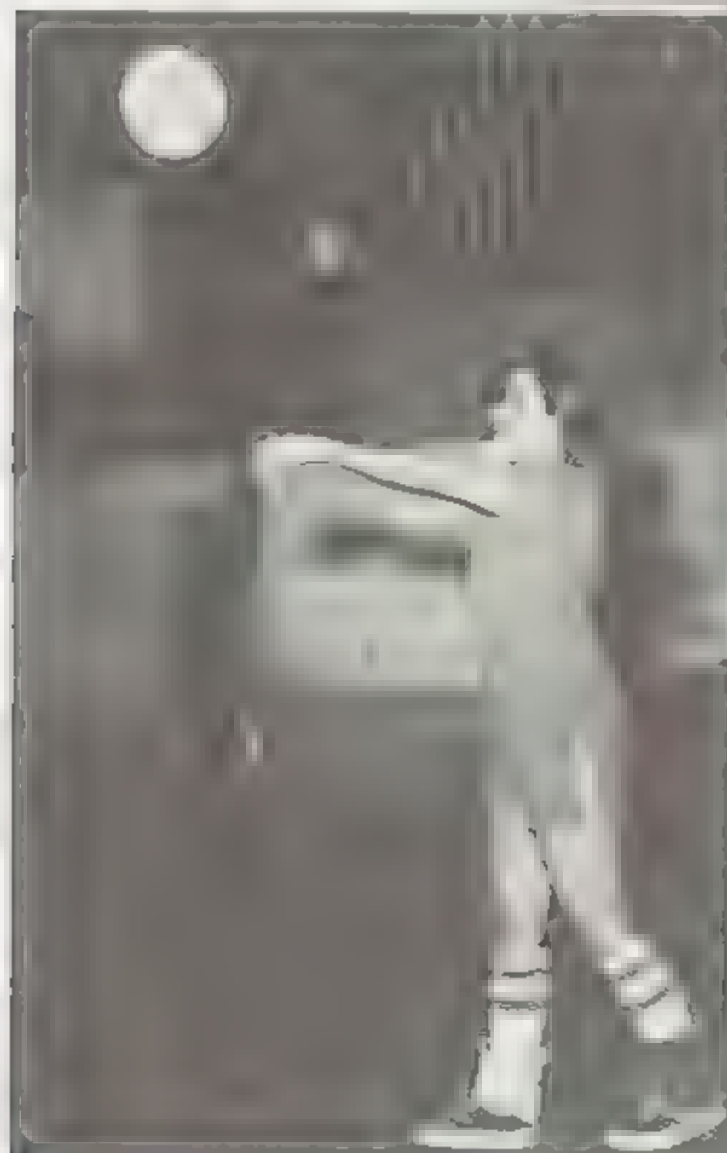

Even though these young bears placed fifth in the league they were the second highest scoring and had the second best defense in their league.

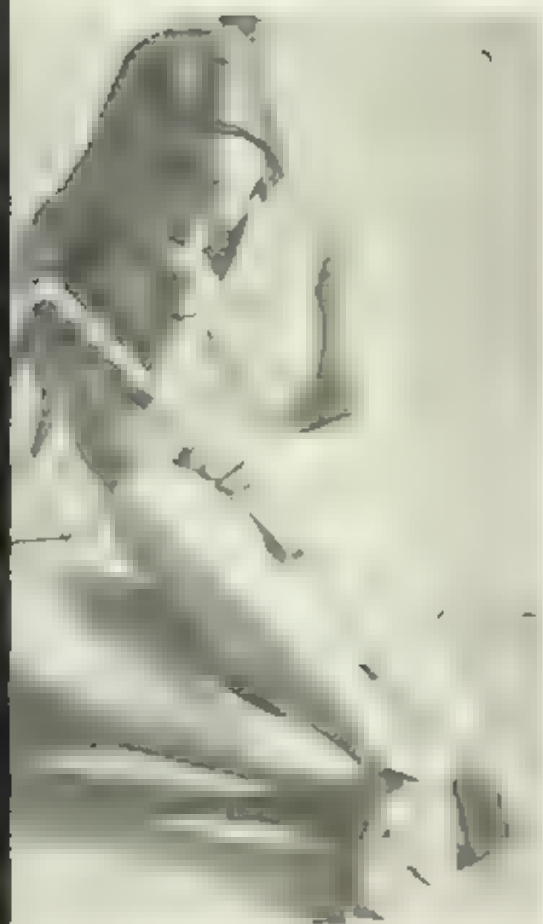

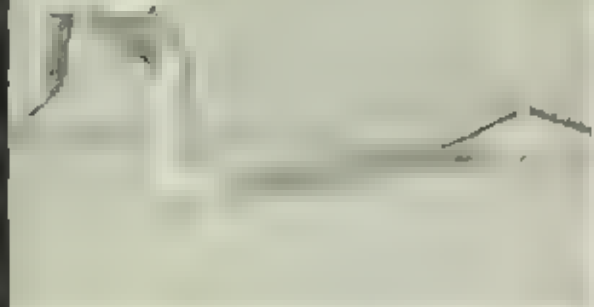

Volleyball and Tennis:

Many hours of hard work were put in by the volleyball teams. Backed up by the coaching and inspiration of the coaches: Miss Cairns (Varsity Volleyball) and Mrs. Roche (Junior Varsity Volleyball), the teams practiced to develop coordination and teamwork. Although the teams did not place high in the League, their devotion and hard work placed them among the top athletes. Top players were: (Varsity) Carla Moeller, Most Valuable Player, Margaret Fitzsimmons, Most Improved Player, (Junior Varsity) Karen Garvey, Most Valuable Player, and Renee Binette, "Go Getter."

1. Captain Madalyn Shabla demonstrates the skill of a true leader. 2. Gail Patin warms up for another game. 3. Diane Garvey shows why she was the second highest scorer on the Varsity team. 4. Wendy York and Lisa Lewis show good volleying position against their Bellflower opponents. 5. Carolyn Griffiths psyches herself up for the next match. 6. Alice Bannister stretches to serve the ball with good spin. 7. Marla Sheehan puts forth her best effort to return an opponents wide shot.

Winning and losing are close companions

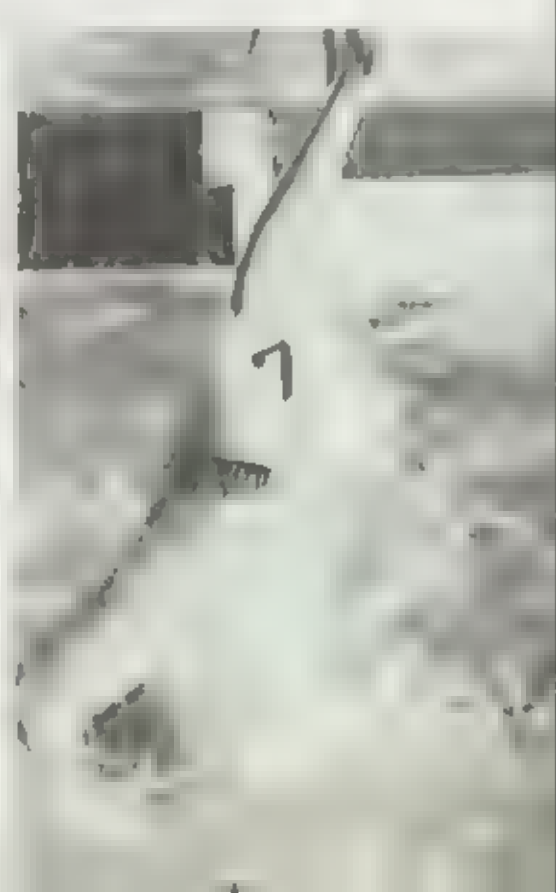

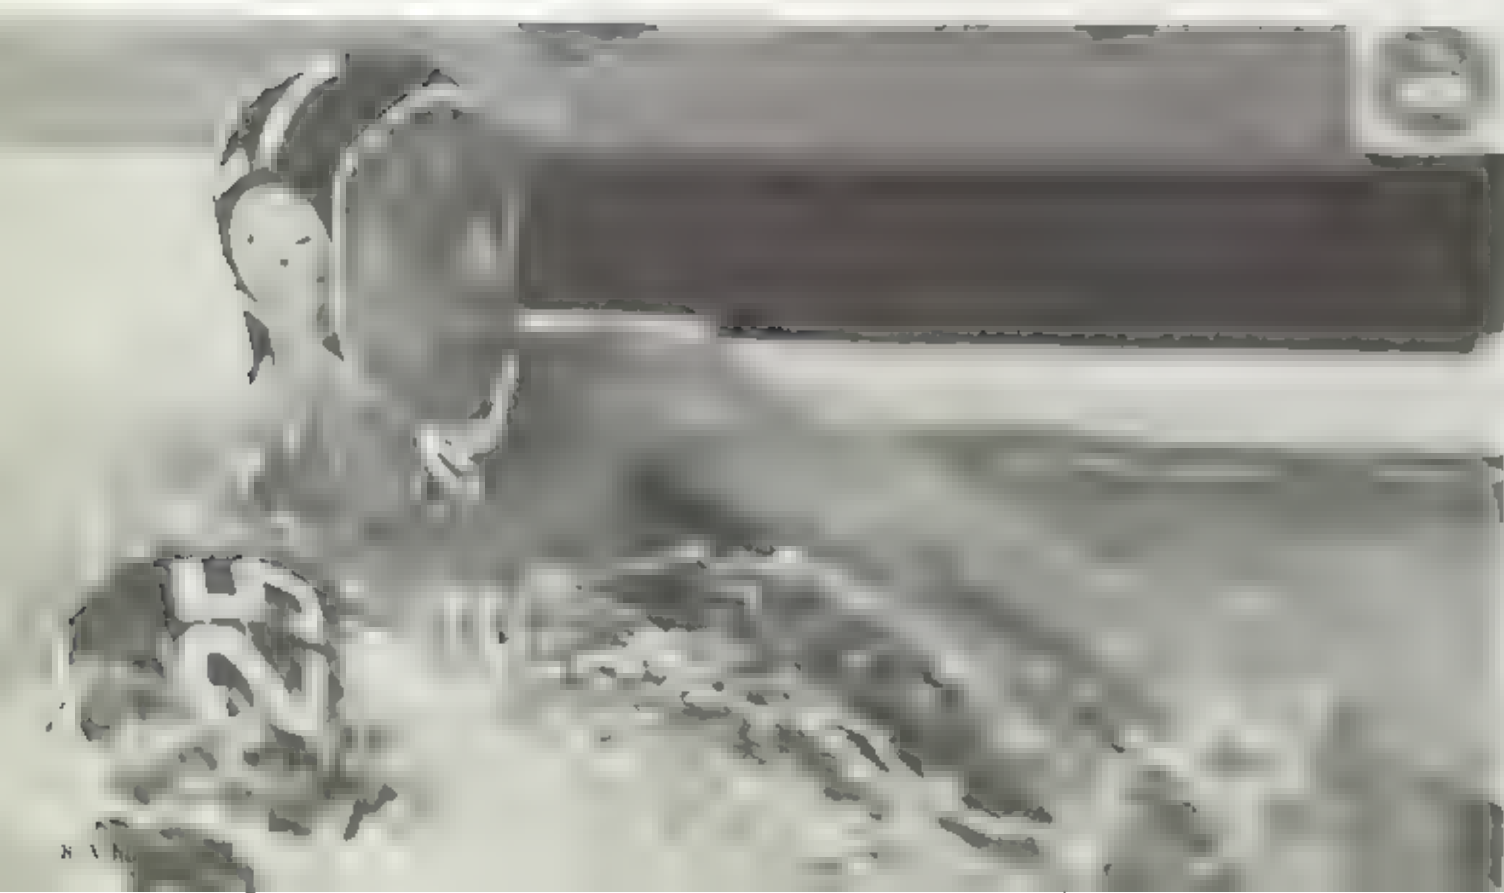

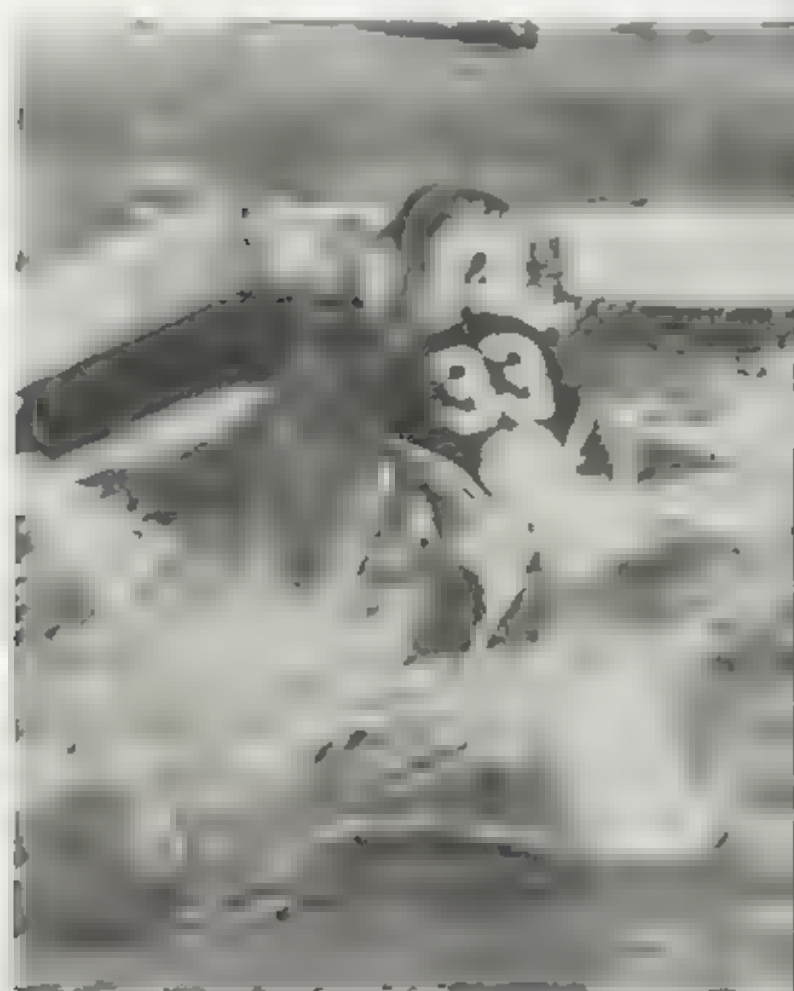

The Girls Varsity Tennis Team coached by our Miss Carman, fought their way to a third place position in the newly organized C.I.F. League. Losing their first two matches against the strong teams of Bellflower and La Mirada, they came back in the true tradition of Warren High to win seven out of eight matches. Led by the Most Valuable Players: Maria Sheehan, a Junior, with a record of nine wins and two losses; and Eric Hirsch, a Sophomore, with eight wins and one loss, insures a strong team for next season. Helen Medeiros, was voted Most Inspirational and awarded the "Sparkplug" trophy at the joint Volleyball/Tennis Awards Banquet held on November 21st. The team captain was Carolyn Griffiths and Nicky Bartolic was manager. We are proud of these Bears who have worked hard and done great!

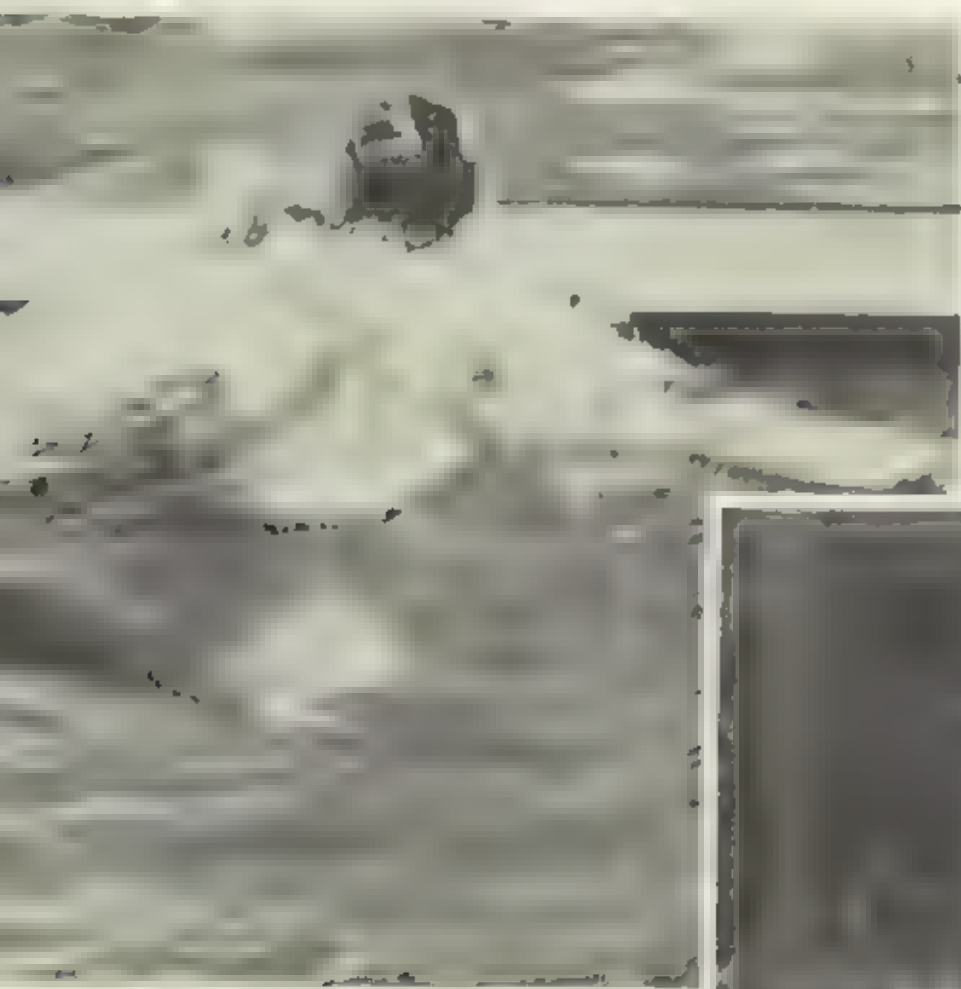

The Junior Varsity Tennis Team earned a third place position in C.I.F. League standings with a record of seven wins and five losses. Losing the first two matches, the J.V.'s rallied back to win seven out of the remaining ten matches. Outstanding players: number one singles, Jane Sevier, a Senior, with a nine wins and two losses record, who was also unanimously voted Most Valuable Player; number one doubles Dana Kriskovic and Sylvia Garcia, both Juniors, with a nine wins and one loss record, with Sylvia Garcia voted The Most Improved Player. Our J.V.'s worked hard at after school practices behind the coaching of Miss Eisenberg. The captain was Colleen McPhearson and the manager was Nicky Bartolic. We have great hopes for the J.V. team because today's J.V.'s are tomorrow's Varsity!

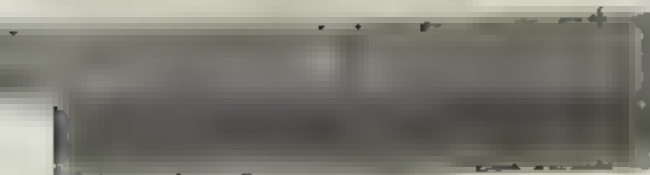

Because of two teams dropping from the league, the S.G.V.L. Water polo season was eliminated from the calendar, so our poloists went free lance for a season. As a result the team played a larger variety of teams from higher ranked schools. These schools were up there with Downey's No. 1 polo team.

Poloists take a dive at freelance competition

1 Paul Van Ryn takes his position on the wing awaiting a pass. 2 The sprint, as demonstrated by Clay Anderson, takes the strength that's built up from many hours of practice. 3 Taking off in the sprint for the start of a game are Chris Parmelee, Bob Vetter and Clay Anderson. 4 Bob Vetter takes a shot against Whittier. 5 Bruce Clumpner blocks an important goal by Vetter against Monta Vista.

Sophomore, Kutzke, takes first in league

The year that was to be a building year, because a number of the team graduated, turned out to be a year of great success, with the Varsity taking second in league. The reason for this, according to Coach Kiefer, was the development of the returning runners and the new Sophomores and Freshman, like Ron Kutzke who finished first in league finals with a two mile time of 9 minutes and 51 seconds.

The JV's took their second championship in a row when they tied for first with Bellflower. Dan DeLaCruz led the JV's to their championship by finishing first in league finals.

Next year promises to be one of the best yet with this years JV's taking first and only three runners graduating.

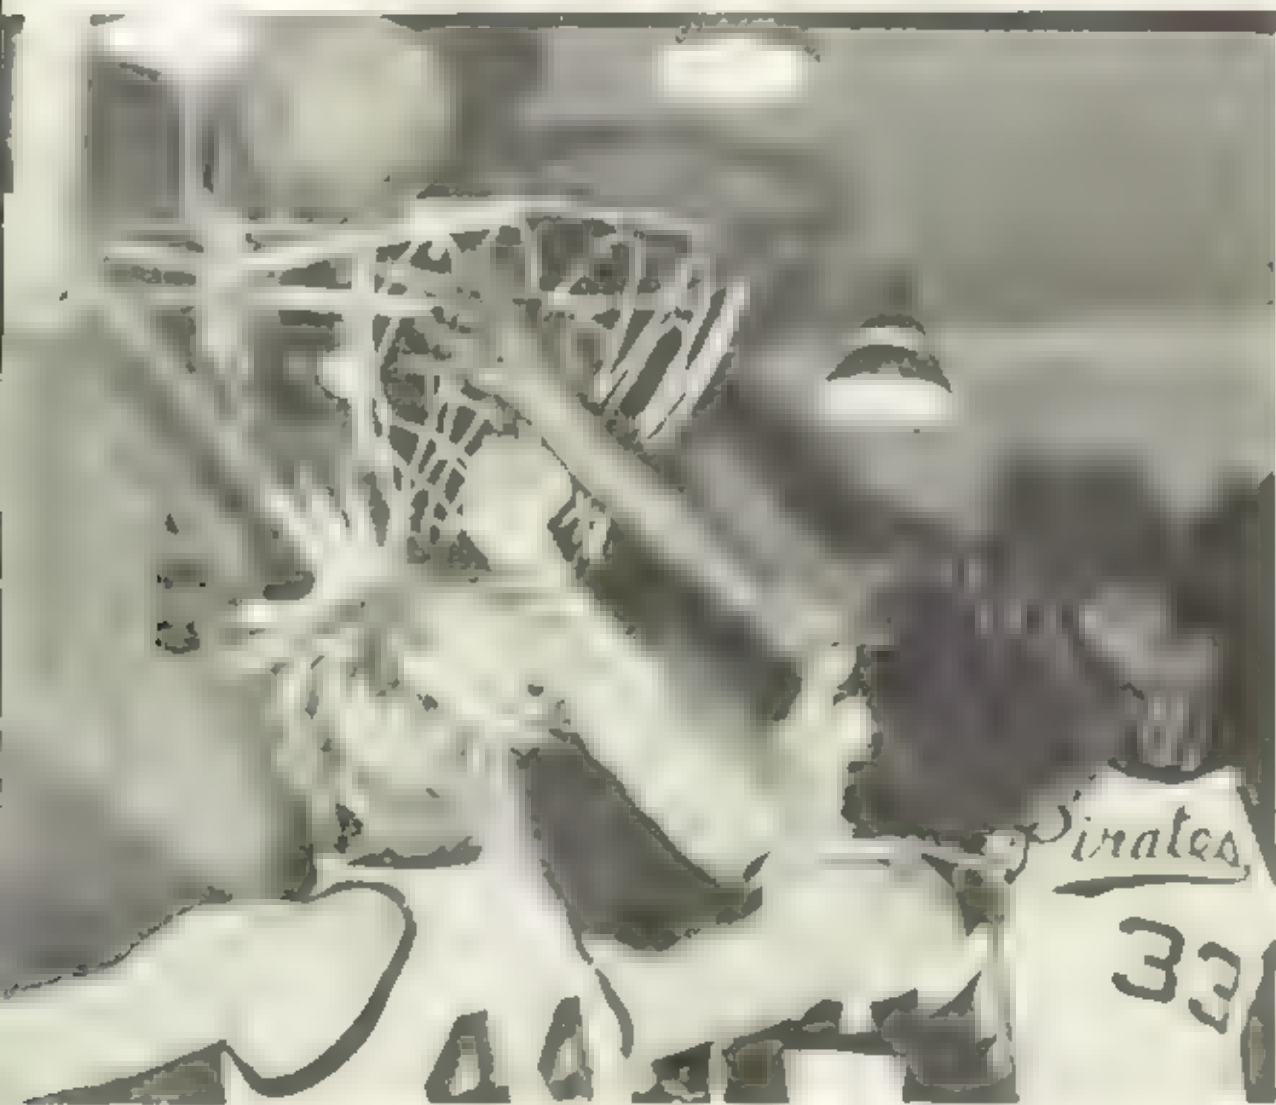

Long hot summers all seem worth it

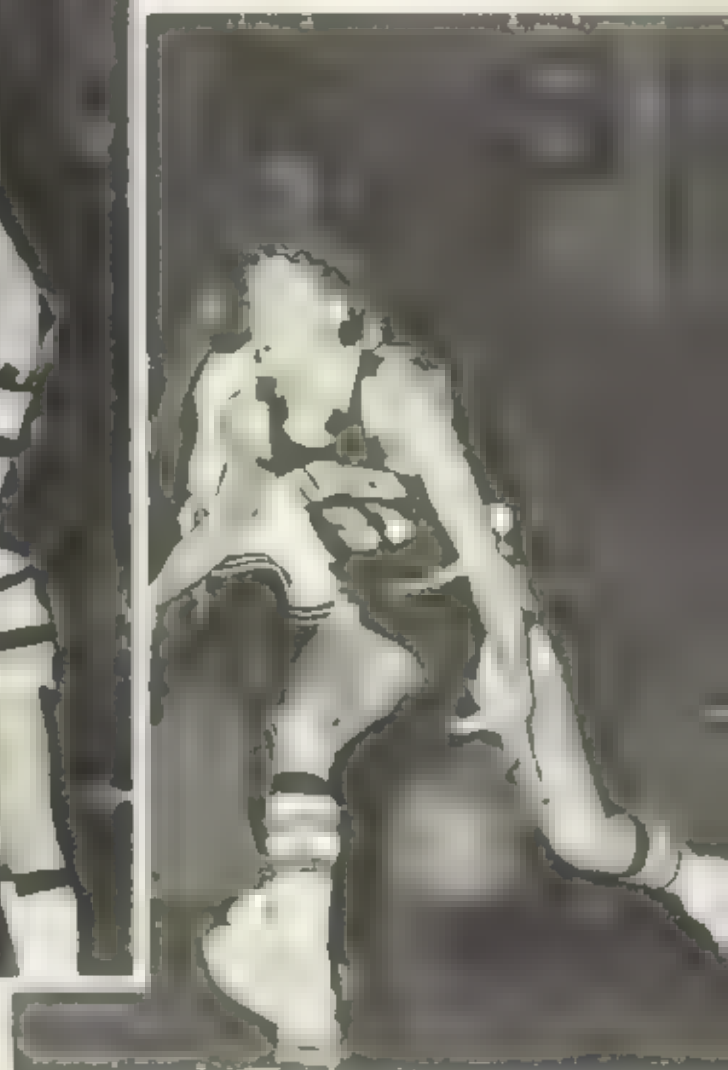

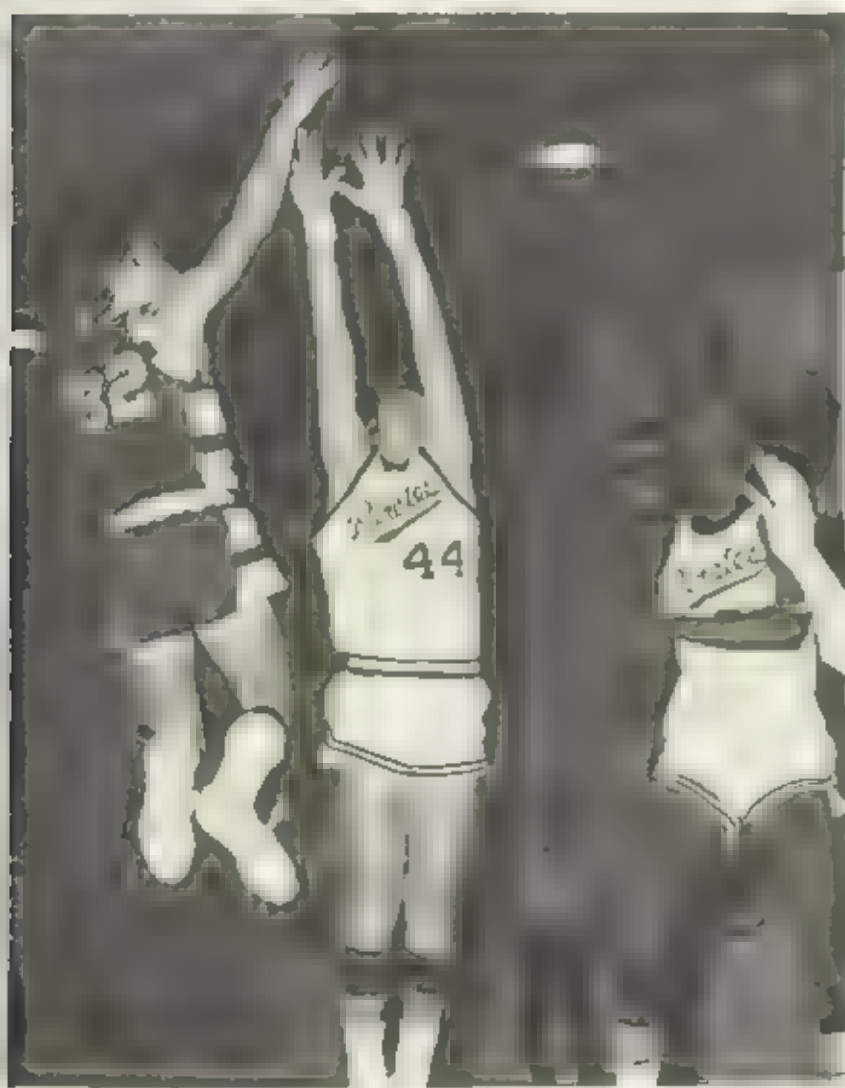

1 Randy Guynn has a running style all his own. 2 Ron Kutzke's determination is written on his face as he enters the last 10 yards of his 9 5/2 mile that won the league's first place position. 3 & 4. The faces of Earl Medlin and Mario Bohnert tell a story of the many hours of summer workouts coming to the test. 5. The milers are poised at the starting line, the gun sounds, and they start out as Quarterhorses out of a starting gate. 4. Jerry Ozman shows the stride that makes him Most Inspirational Runner.

While Spirit Kept Alive in '75

The 1974-75 Varsity Basketball team had a truly bouncing season. Injuries and illness cost the team some victories. Highlights of the season were a thrilling two point loss to Downey in the last second at Cerritos, dual sweeping victories over Norwalk and Bellflower, and a vital team effort throughout the game to defeat previously undefeated Lynwood. The Lynwood win was a spark in a fighting season for the Bears. As stated by Coach Young "I really liked the adversity we showed in that game. We never gave up. It was truly a team effort." In preleague play the Bears placed 3rd in the Huntington Beach tourney, defeating highly ranked Edison and Huntington Beach. Seniors Bob Howard, Terry Beattie, Mark Mullenix, and Alan Pemberton were outstanding for the Bears, while Juniors Jim Klunder, Brian Lumsden, and Jeff Korbett bring great hopes for next years team, one that will truly be full of expectations. The remainder of the team including Doug Scott, Kevin Olay, Gary Vedenoff, Russ Winokur and Kevin Rysavy helped put forth traditional team effort for the Bears.

Jay Vees Untouched in League

The Warren JV's finished the season with a 24 win, 2 loss overall record. The losses were by one point, 43 to 42 to Mayfair and 48 to 47 to Huntington Beach. In league the young Bears finished with a perfect record; 14 wins, 0 losses, and San Gabriel League Champions. They won their last 15 games in a row. Over the year they won the Warren JV Classic, Consolation Champions Huntington Beach Tournament, and 2nd place Mayfair Classic. Their record and play established them as the best JV Team in Warren's history.

Defense and hustle were the key for the young bears. Their full control pressure and running game was displayed as they rolled over opponent after opponent. Mark Mollane, the only super sophomore, averaged 17 points a game to lead the Bears. Mark is a future great. Marty Meador and Gordie Berg are two of the same kind with quick hands and a tough defense. Marty broke the JV assist record per game and season. Berg broke the steal record. Chris Carter and Chris Marsh, the other 2 starters tough defensive players, are both much improved. Marsh has potential as a tremendous jumper and hook shot man.

To go along with this, the young Bears had a strong, quick bench in Howard "Flash" McWilliams, John Howard, Bill Neushaffer, Jack Pelton, Dave Prange, and Gary Haynes.

In summary, the team's success resulted from excellent shot range and movement to basket, good poise and drive, superior pressure defense with excellent hustle, and never giving up on themselves.

Sophomores literally sweep through League, bringing second S.G.V.L. championship to their class

Frosh finish 3rd

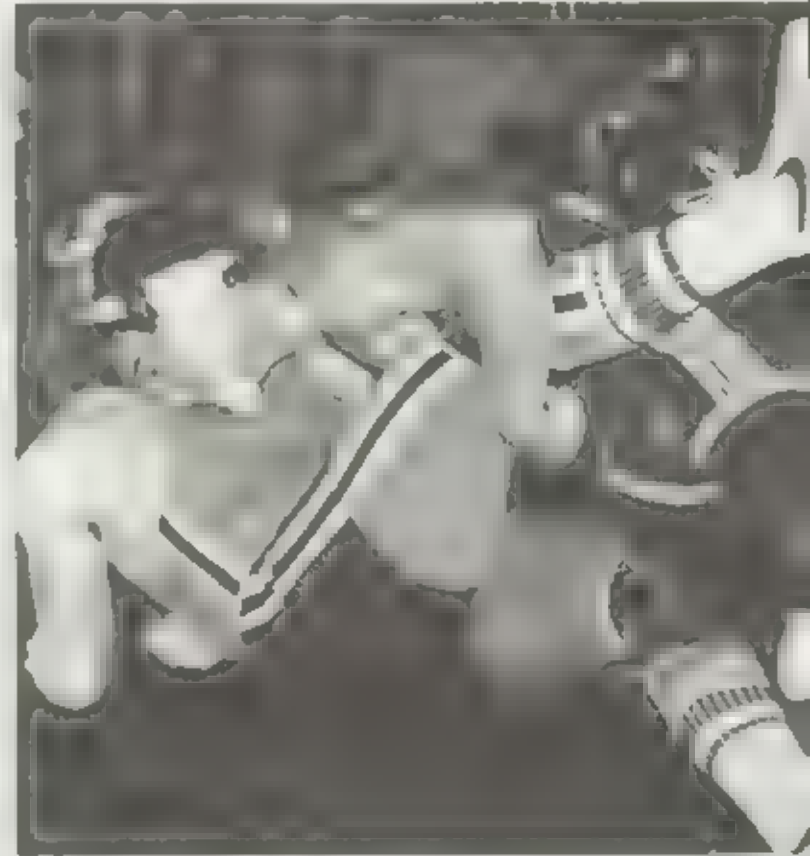

Dedication is the reason for such a winning Sophomore team. Every member is important because no first stringer is any tougher than his practice mate. This dedication brought the Sophs an 8 and 5 pre-league record with such showings as 3rd place in the Millikan Tournament with Gerry "Jolly" McCarthy and Alex Radetzky being all-tourney and the consolation championship in the B.G. J.V. Tournament with Scott Vernoy being selected All Tourney.

The Bears soon enough showed the S.G.V.L. what Warren was made of. Warren swept through its games during the season with only one stop a 52-48 loss to Paramount but soon after Warren came back to trounce the Pirates 64-49 in the re-match. Highlights were sound thrashings of the Ducks and the high game of 102-42 against Bellflower. The Bears were led by M.V.P. Gerry McCarthy. Co-Captains were Jim Uranga, Frank Watson, and Scott Vernoy. Vernoy and Alex Radetzky being only freshman, give Warren much hope in the remaining years. Helping out in the backcourt were Mark McClure, Mark Guastella, and Brad Hinds. The players that didn't see as much action would have easily started for any other team in the league. This has been the second league championship for the sophomore class, one that brings a bright light to Warren athletics.

The Sophs season record was 21 wins and 4 losses and a league record of 13 wins and 1 loss. The Sophs were a strong team scoring 1601 points to their opponents 1094 which gives the team an average of 64 points per game to the opponents 44. The team has lead in offense by Jerry McCarthy who scored 393 season points for a 15.7 point per game average, followed by Alex Radetzky with 323 season points for a 12.9 point per game average. Scott Vernoy was third in scoring with an average of 10.7 points per game and lead the team in total rebounding. Jim Uranga was fourth in scoring with 9 points per game and was second in total rebounding.

Freshman Basketball was one of the newest sports at Warren. These mighty Bears went along with tradition fighting and scraping for every game and coming up with a third place showing in league. Coach Wayne Wolfsburger's team was led by Dennis Gjesdal, Jim Eubanks, Jerry Hooton, Robert DeSchepper, Steven Gifford, and Dennis Barker. Others included Roy Cain, Brad Ditto, Bob Miller, and Kyle Rysavy.

Tough League

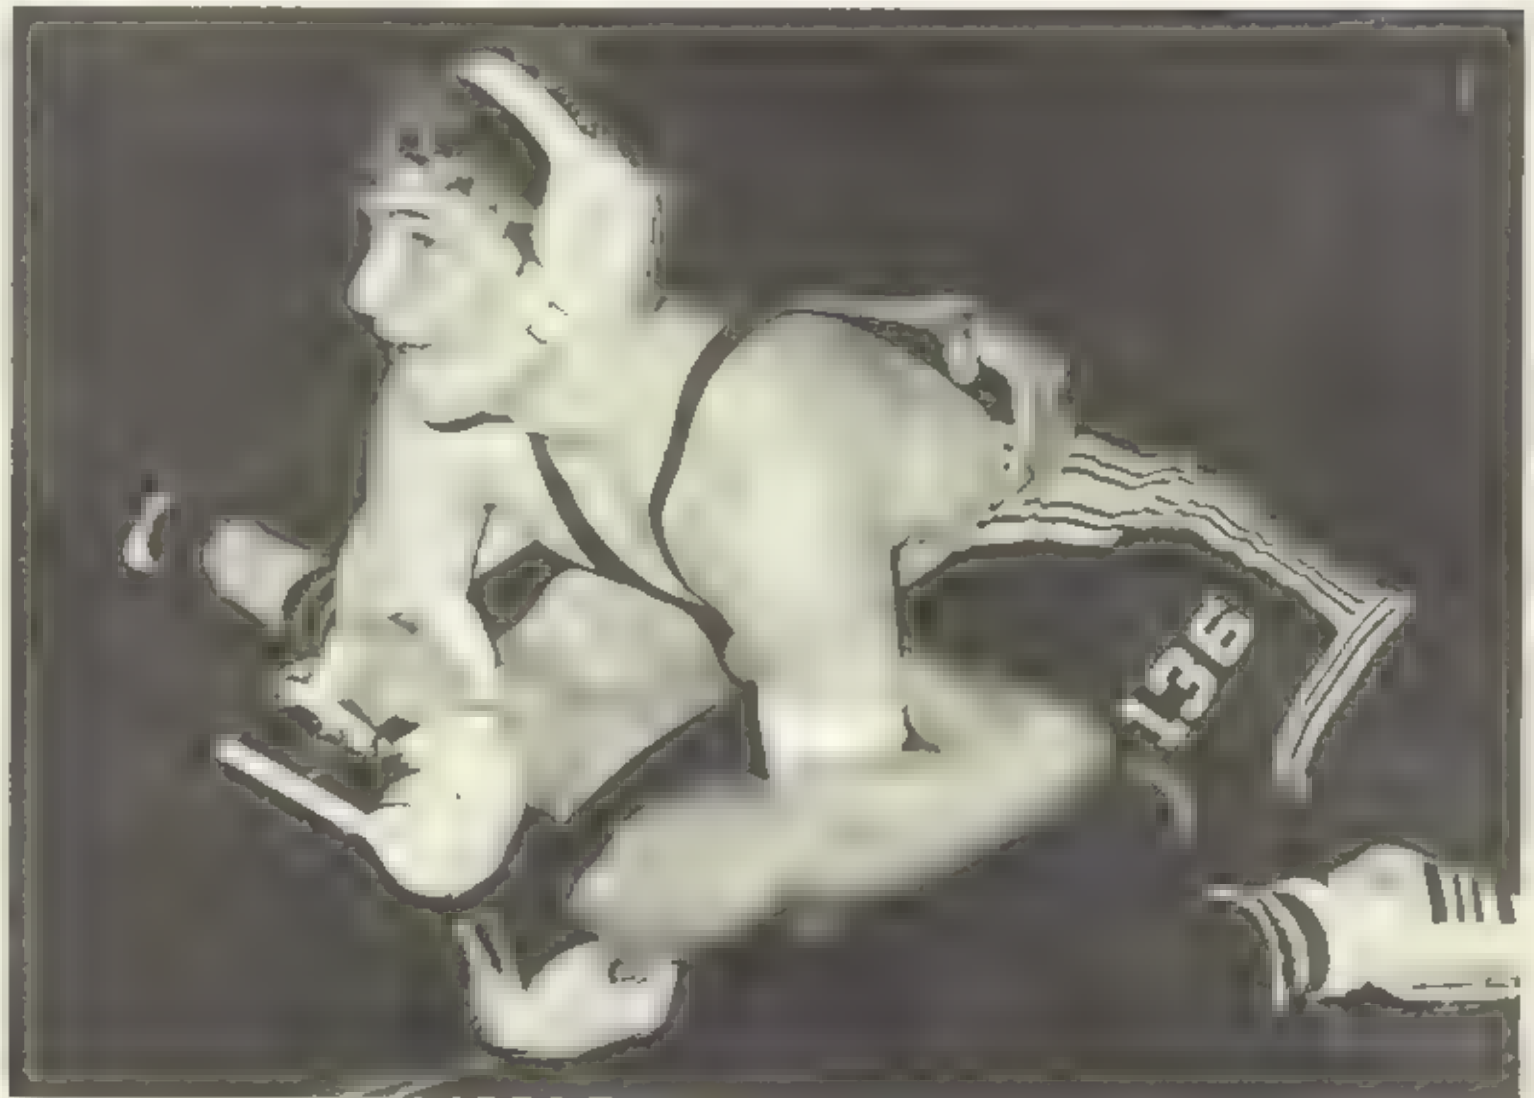

This years Wrestling team did a fine job and the Varsity Squad wrapped up the season with a 4-3 record. With six returning letterman, four of which were injured on and off during the season, the Bear Grapplers are in a building year. Coaches Cunningham and Dunaway commended returning Captain Duncan Barber, 135 lbs., as he placed 2nd in two tournaments. Roy Warren at 145 lbs., 16-2 record, also led Warren to many victories and a place winner at 2 tournaments. Mark Taylor, Naro Negrete, Rudy Herrera, Mark English, Dwane Henry, Jeff McCaughan, Dana Skeggs, Cary Midtbo and Steve Mahr also did a fine job.

The JV squad, record 6-1 are Co Champions of the San Gabriel League and some outstanding members will be returning. Sophomore Bob Johnson, Freshman Lance Davenport and Junior Bart Kriek were undefeated in league. Many other fine wrestlers, Mel Ready, Dave Campbell, Guy Huft and John St. Germain along with the whole squad should do a tremendous job in the future. The whole squad is responsible for the championship and all should be commended.

Defending League Champs make good showing

Leadership and determination are qualities not only of a good coach but also of his players. These are the qualities that Coach Kiefer instills in his team of winning cindermen. The Varsity is very strong with many returning lettermen from the first place team of the S.G.V.L., Hopful to obtain first place this year. On Thursday, April 3, Senior Jeff Clingan broke his own school triple jump record of 45' 1" with a tremendous effort of 47' 1/4". This is one of the highest if not the highest marks in CIF history.

1. David Prange attempts the long jump. 2. Jerry Ozmon heads the pack in the Varsity 880. 3. Mike French attempts to break a new record for the shotput. 4. Trodding to a flashy finish, Jerry Ozmon. 5. Wes Miller stretches into the lead. 6. Jon Hand demonstrates a good flop jump.

The Best Season Yet

1. Paul Van Ryan demonstrates his perfect Varsity form. 2. Mark Allen enters before the gun. 3. Bili Keiman proved to be a strong league contender in the butterfly. 4. Brent Clumpner demonstrates the proper position for a quick get-away. 5. Bili Keiman moves on.

The Swim Team experienced its best season in Warren's history. With many returning lettermen, the team not only had talent but experience. Its strongest point was the CIF-ranked relay team. With determination and personal effort, the team proved to be one of Warren's best.

Frosh-Soph are full of surprises

Girls Have a Strong Second Try

The Girls' Athletics Program is just getting into its second year of C.I.F. competition. In its second year, the Varsity Girls' Softball Team went on the win league and enter CIF. The softball teams are coached by Miss Carmen. She is a strong minded and hard-working coach who devotes much of her own time and effort to work with these girls who haven't had much experience in organized sports.

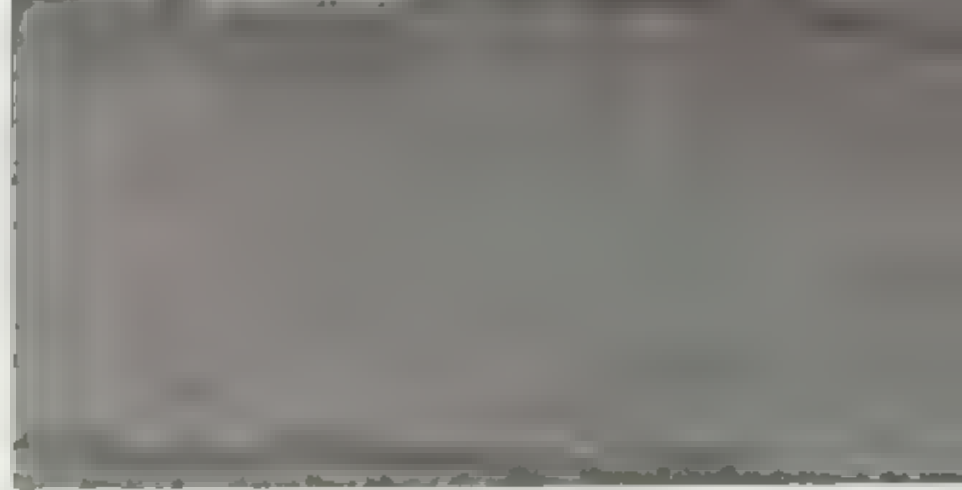

Although they work as hard, the basketball teams have not had the luck that the softball teams has had. These hard working girls are led by the two new additions to the girls coaching staff, Mrs. Roache and Miss Cairns.

1. Karen Biedenbach takes a free throw. 2. A strong hatter takes a good swing. 3. A pitcher winds up to throw the ball. 4. A batter swings at the ball. 5. Catcher covers home plate. 6. A good second baseman always has her base covered.

Playing Hard is not just for guys

Sometimes it's like trying to hit air

Long hours of practice were put into making the young inexperienced Varsity Bears the best team possible. Although they were not defending a title in the league, they may have surprised some people.

Working together as a team, their strongest point was their seven-man pitching staff with four returning lettermen. Although the offense was weak in hitting power, the strength of the defense should have carried them through.

1. Troy Hite hurtles one of his fast-balls to astound another batted batter. 2. Dan McMullan shows the ability of the top hitter in the league. 3. A J.V. runner slides into second a little to late. 4. J.V. pitcher Tom Currie stretches for that last bit of speed.

Tennis: A Game of the Mind

The experience of the Varsity Tennis team just may have been one of its strong points. Coach Wayne Wolfsberger is new to the team this year and striving for a strong and resourceful Varsity squad that can win the match mentally before the first serve.

1. Doubles is a game of working together and being able to depend on yourself when the going gets rough. 2. Jim Brull volleys for match points. 3. Let's hope they lowered the net. 4. Frank Otto goes back for a long shot.

Volleyball:

It is rougher than you think

With the second year of any sport comes more interest by spectators and more experience of players and coaches. Coach Tom Stoner, a new Art teacher here at Warren, with a lot of enthusiasm and guts, took the nucleus of last year's team along with inexperienced new team members and made Volleyball one of the more popular non-league sports.

The Sport of Concentration and Accuracy

The golf team, swinging away on the golf course, was under the direction of Coach Speights. Though most of the sports at Warren are team oriented, golf is one of the few sports that relies solely on the individual for its success. The team aspect of golf is shown in the encouragement and positivity given by the teammates to each other. Being a strong team in the league for the past three years, one more certainly won't hurt.

1. Ray Dunn tees off as Warren's #1 golfer. 2. Mike Weyrick attempts a putt, did he or didn't he make it? 3. Ed Weatherford is stuck in the sand trap again. 4. The tee, of course, starts it all off.

SENIOR SENIOR SENIOR

SENIORS

A Senior's last year in high school may very well be the most important year in his life. Questions such as do I go to college, which college, do I work full time, or do I take off, till Senior's minds the entire year.

In spite of all the questions, decisions, and panic, Seniors have found moments for leisure. Some of the activities that Senior's participated in were repairing dentec cars (as a result of our rivalries), celebration week, and leading the underclassman at pep assemblies.

Seniors now accepted as adults have learned to express themselves as people. Each person had the chance to express their individuality by responding to the following questions: birthplace, ambitions, and favorite saying or quote that means something to them. Their answers appear under their pictures.

Abstract—The purpose of this study was to determine the effect of a 10-week training program on the heart rate (HR) and heart rate reserve (HRR) of sedentary middle-aged men. The subjects were divided into two groups: a control group and an exercise group. The exercise group performed a 10-week training program consisting of three sessions per week, each lasting 30 minutes. The control group did not exercise. The HR and HRR were measured at rest and during exercise at the beginning and end of the 10-week period. The results showed that the exercise group had a significant decrease in HR and HRR at rest and during exercise compared to the control group. The control group had no significant change in HR and HRR. The results suggest that a 10-week training program can improve the cardiovascular fitness of sedentary middle-aged men.

"Class Couple," Tina Bell and Greg Webb, show that Love is

Life, so they say, is but a game
and they let it slip away.
Love, like the Autumn sun, should
be dying but it's only just begun.

Like the twilight on the road
up ahead, they don't see just where
they're going, and all the secrets
in the universe, whisper in our ears
and all the years will come and go
and take us up, always up.

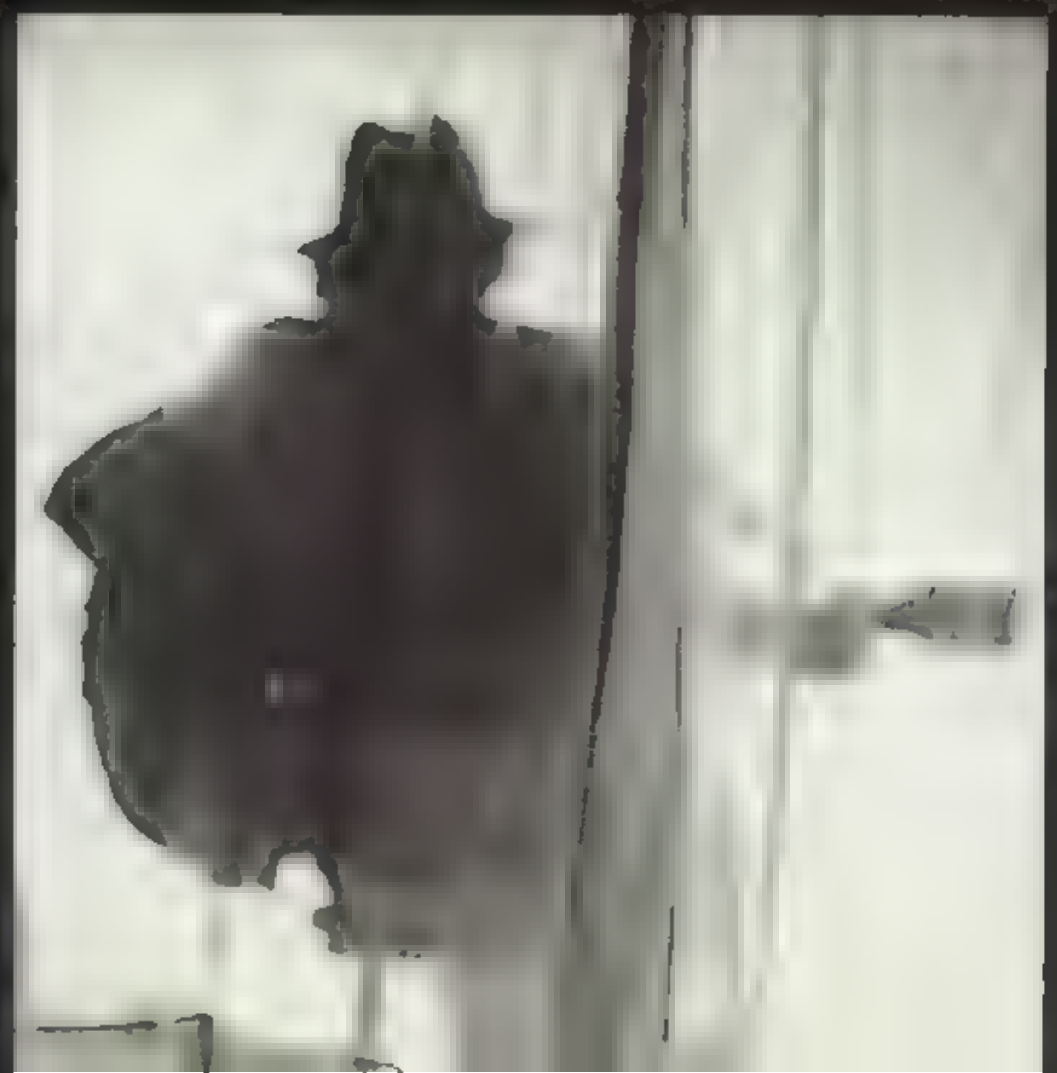

We may never pass this way again.

I want to laugh while the
laughing is easy, I want to
cry if it makes it worth
while. I may never pass
this way again, that's why
I want it with you.

Cause you make me feel like
I'm more than a friend, like
I'm the journey and you're
the journey's end. I may
never pass this way again,
that's why I want it with
you.

Dreams, so they say, are for
the fools and they let them
drift away. Peace, like the
silent dove, should be flying
but it's only just begun.

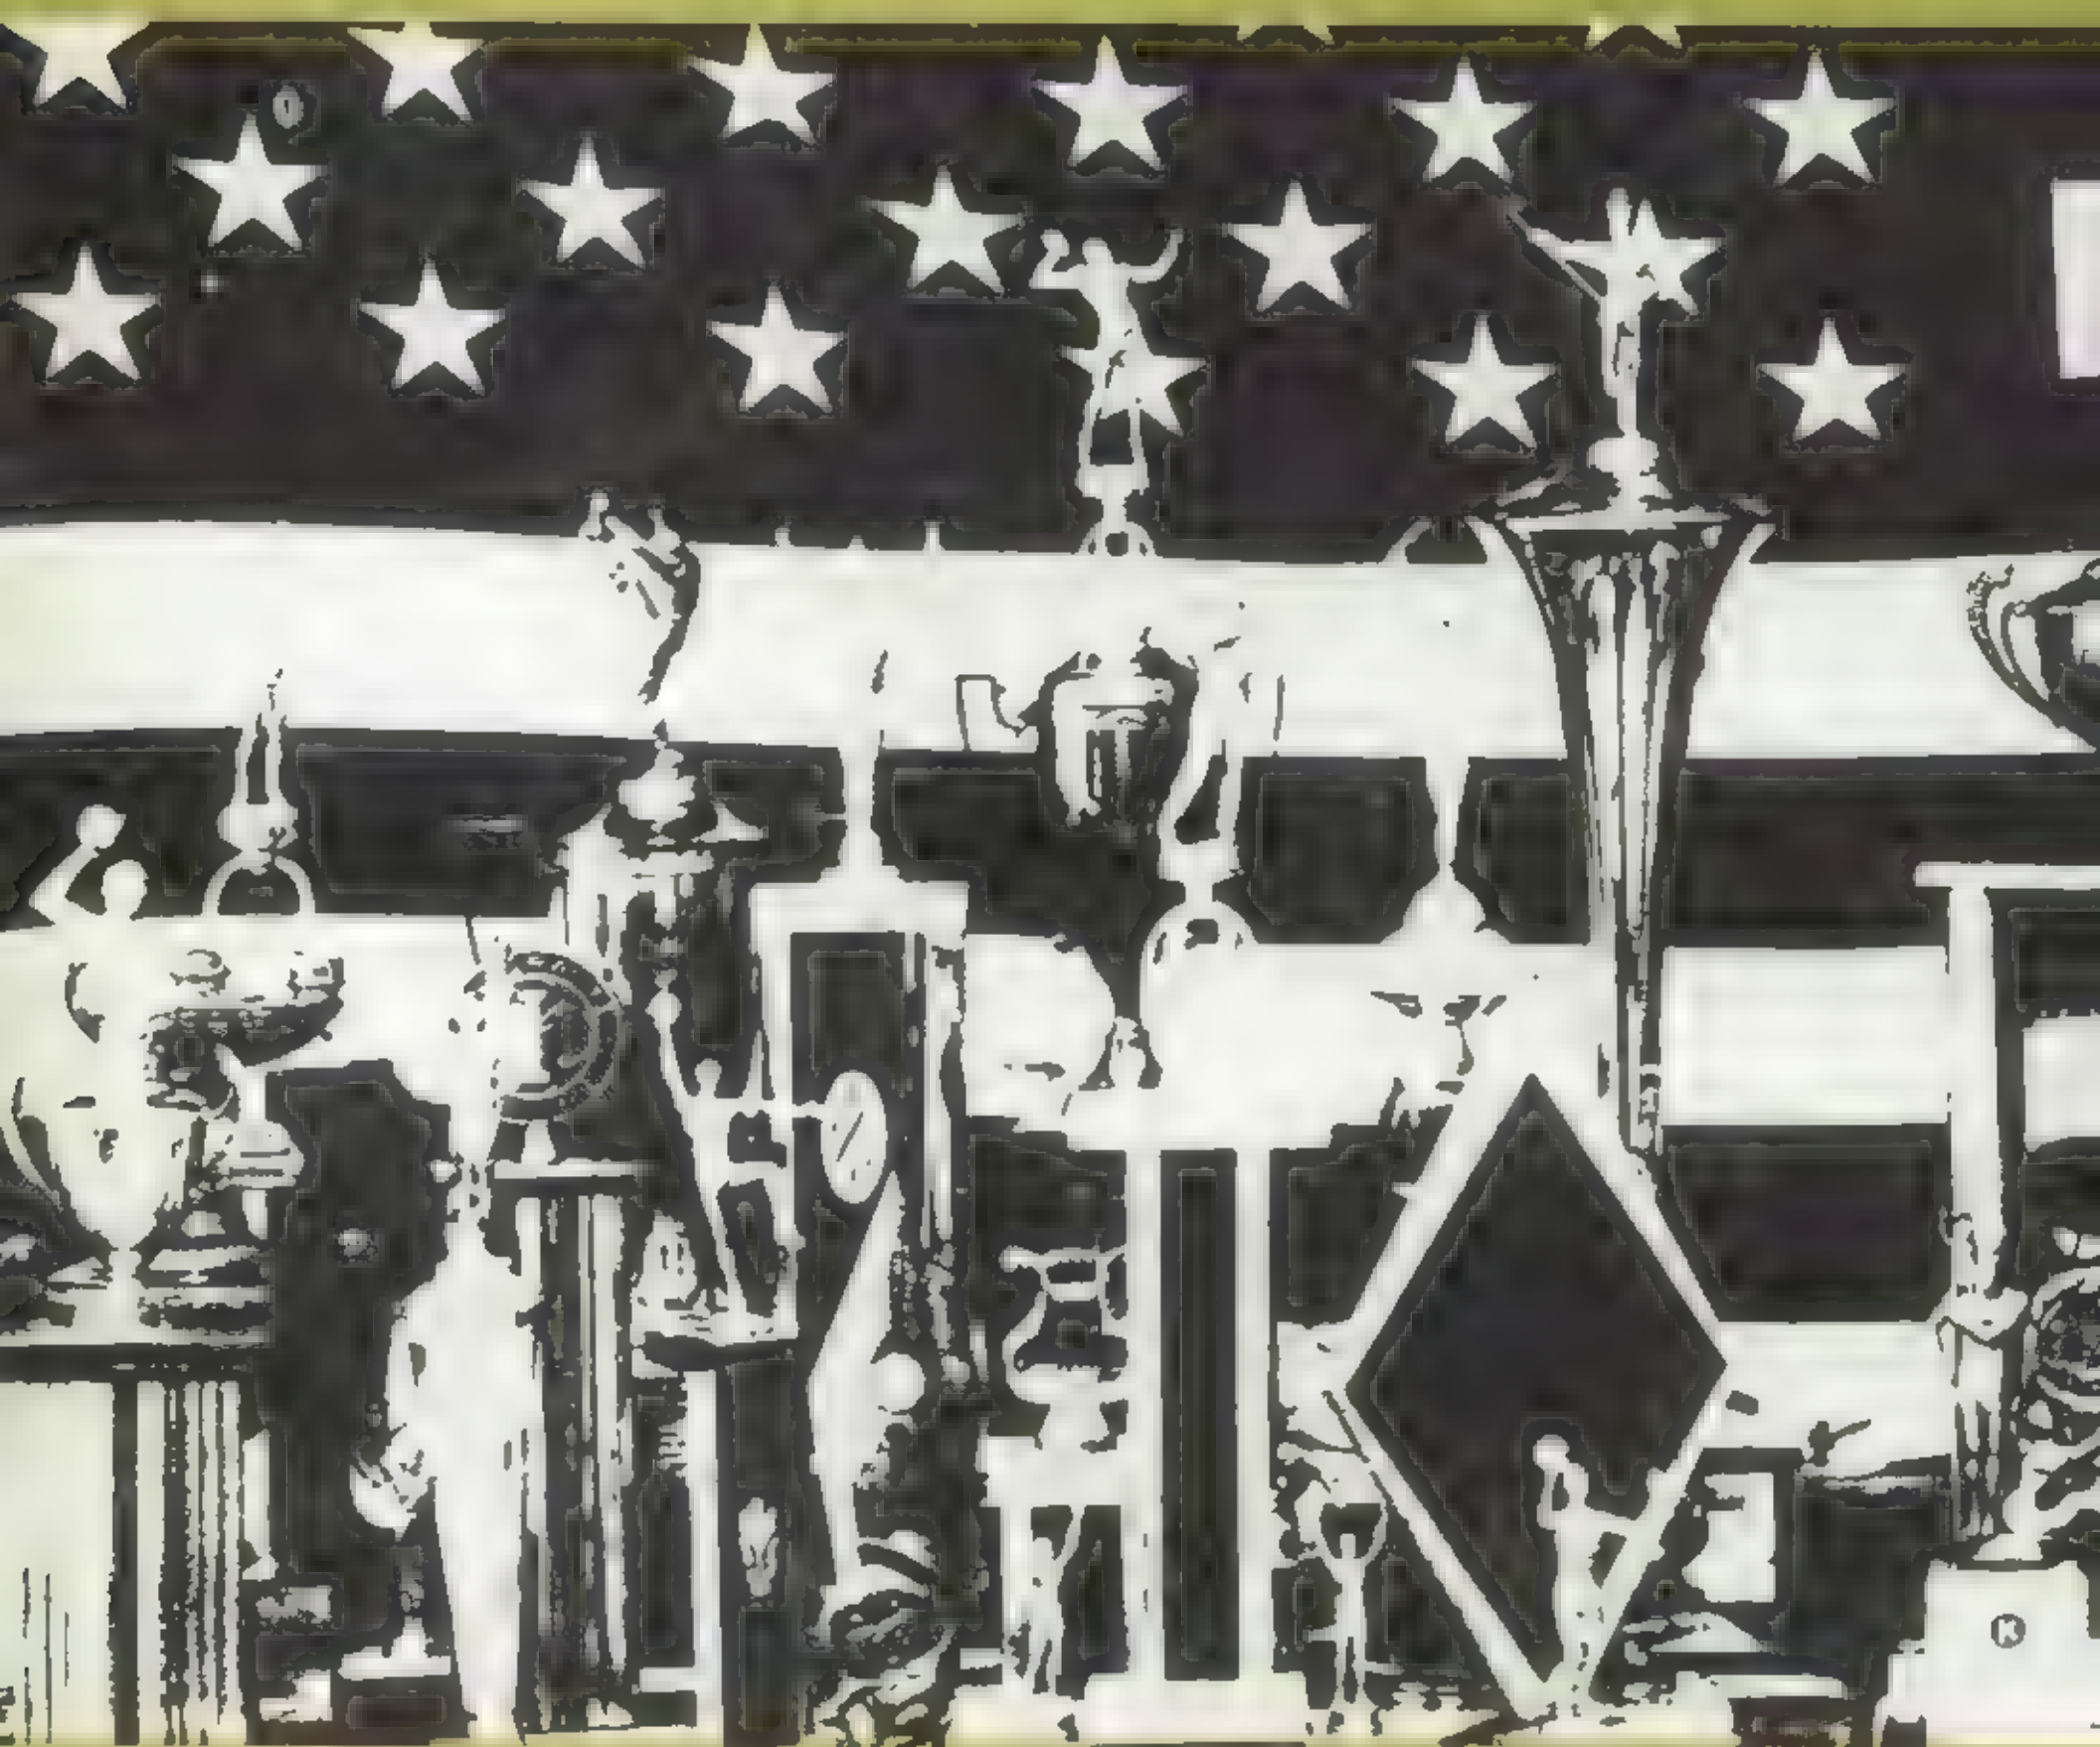

Like Columbus in the olden days,
We must gather all our courage, sail
our ships out on the open sea, cast away
our fears and all the years will come
and go and take us up, always up.
We may never pass this way again.

HONORED BEARS HONOR

HONORED RED BEARS

This next section of the FLOrso is dedicated to those students who put forth extra effort to make Warren High a proud school. We have included the most outstanding students in each department, along with local and top scholarships given to seniors. In addition, awards and honors in the fields of sports, art, and business have been added. The students throughout this section of Warren are recognized as Honored Bears, ready to make sure they get their lives. Students working in divided areas together, we are the HONORED BEARS of Warren High!

THE OUTSTANDING

TEEN AGES, who are nominated by their school principal, are chosen for excellence in academic achievement and community service. The awards are presented each Spring and the biographies of all the honored bears are recorded in the annual volume, "Outstanding Teenagers of America." From there, both regional and national scholarships will be awarded to selected winners. The Outstanding Teenagers of America from Warren are Frank Otto, Debbie Hypes, Lynn Iba, Wes Miller, Dave Morse, Scott Pinsky, Maggie Ford, and Jan Klunder.

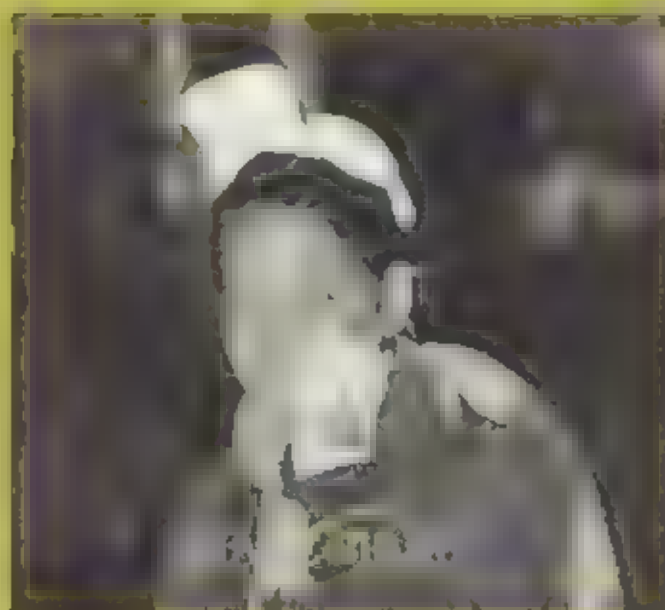

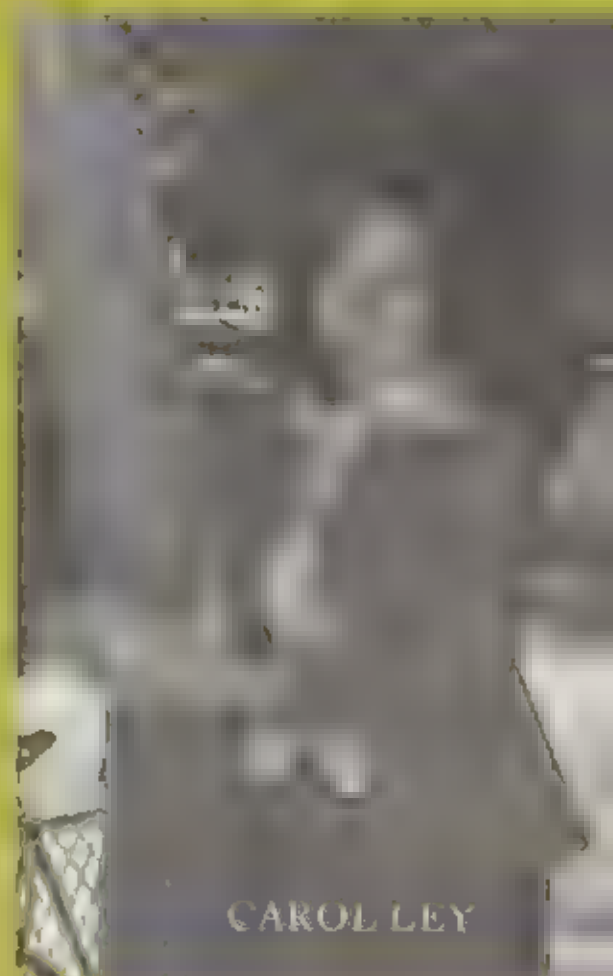

THE ADVISORY COUNCIL is a group of students, representing each grade, who make up a council to meet with the Board of Education, acting as the go-between amongst the student body and the Board. The council meets regularly to discuss important matters. Tami Bennett heads this committee, and is also our Delegate to the State Advisory Board of Education. Members of the Advisory Council are Laureen Abajian, Jody Overfelt, Dave Garza, Theresa Rodgers, Scott Pinsky, and Tami Bennett.

TOP PLAQUE WINNERS, also chosen by the Bank of America, receive plaques in four major categories for outstanding leadership and qualities. In May, winners compete for \$250 scholarships, and top winners in the categories overall win \$1000 scholarships. Top Plaque Winners are David Garza (Science and Math), Karen Hansen (Liberal Arts), Kathy Breaux (Fine Arts), and Kathy McGlasson (Vocational Arts).

MELBA IS

A pink carnation in January, a sweet smelling sunny morning in August, a clown's smile from ear to ear, a triple ice cream cone, a child's honest kiss, a warm soft pillow, a chilling splash of mother ocean, a Snickers, a tubular wave with frosty white foam spraying with old man "offshore wind" a busy telephone, a soft fuzzy kitten, an open heart, a peaceful sheep, an active day, a sleeping beauty, an organic meal, a raspberry smoothie, a taco in Cardiff, a black Carmenghia, a V W, bus, a camera film waster, a black and white and red wet suit, a cheeseburger and banana cream pie at Marie Calendar's, a smack at school, a warm puppy, love at first sight, a long blonde haired local

(boy), an experience, a piece of trident gum, a stop at Jack In The Box, a dance at Golden West, a date with Mike Purpose, a honk freak, a tapestry cloth, a pair of thongs, a muslin dress, a hairy leg, a stop at "Jean's Euphoria", a ticket to the Beach Boys, a child of 17, a two-inch fingernail, a plate at Sizzlers, a beautiful blonde, a henpecking wife with mudpack and a head full of curlers, a Wayne Brown surfboard, a crystal-green plant, a turquoise ring, a rabbit, a surfer, a styler, a bum, a prude, a cool summer breeze, a day at the beach, and a night out of town. . . . but most of all, MELBA is the most important, and the most beautiful person in my life!

Melba Samford

Melba Samford was chosen as Miss El Oroso on the basis of photogenic quality of her Senior portrait. She seems to have that special way of putting her personality into a picture. She is a friendly, beautiful person who enjoys smiling on life. Unaware of her award, Melba was photographed and a letter from her "bestus friend" lets you know just what she's like

Teams choose “Most Valuable Players”
for their hard work and dedication.

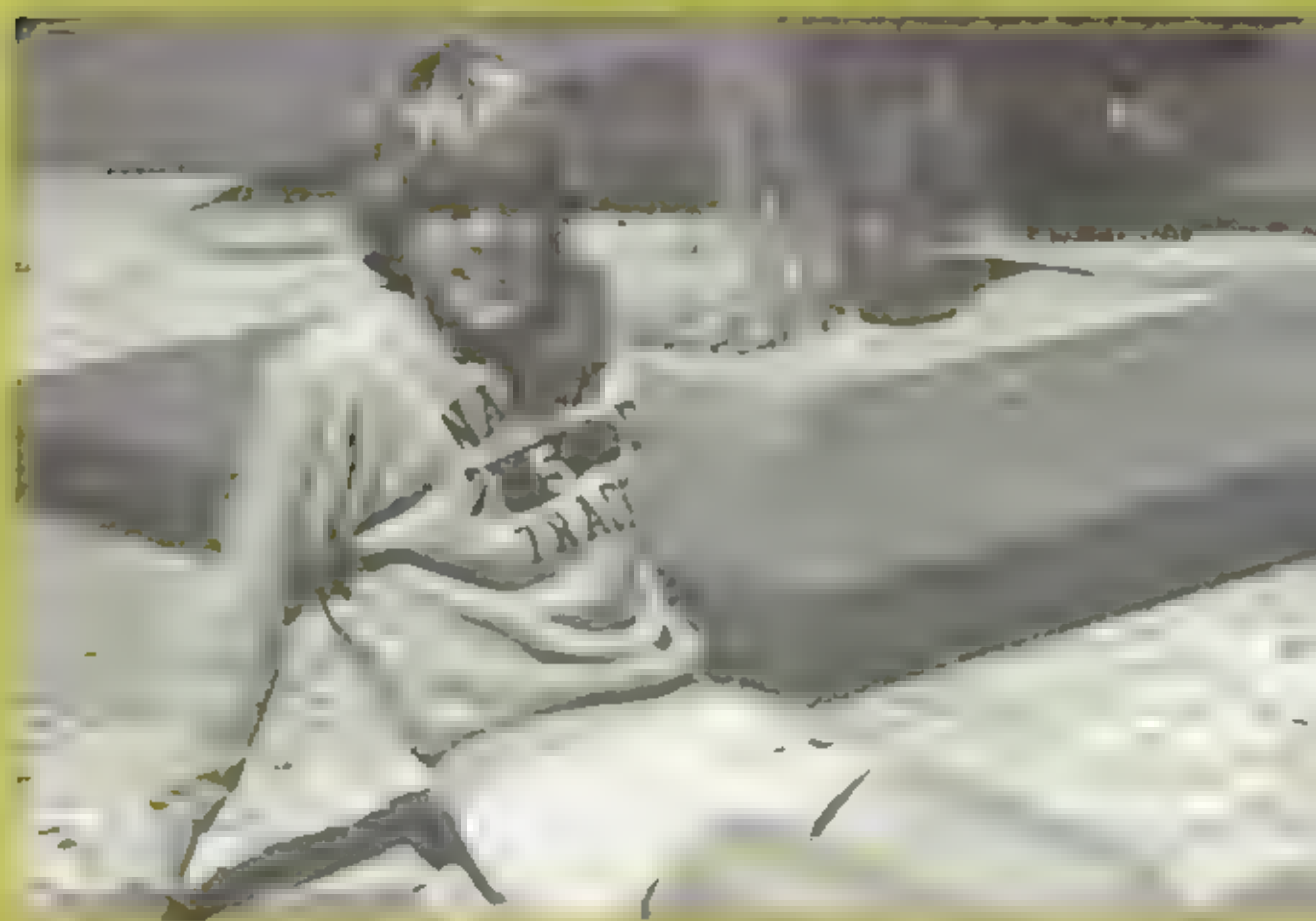

PATTY McMULLEN GIRLS' BASKETBALL

Patty McMullen, a freshman guard, was a sincere asset to the Girls' CIF Basketball team. She scored 33 points from the outside against La Mirada. Patty is a nominee for the San Gabriel Valley All League Team.

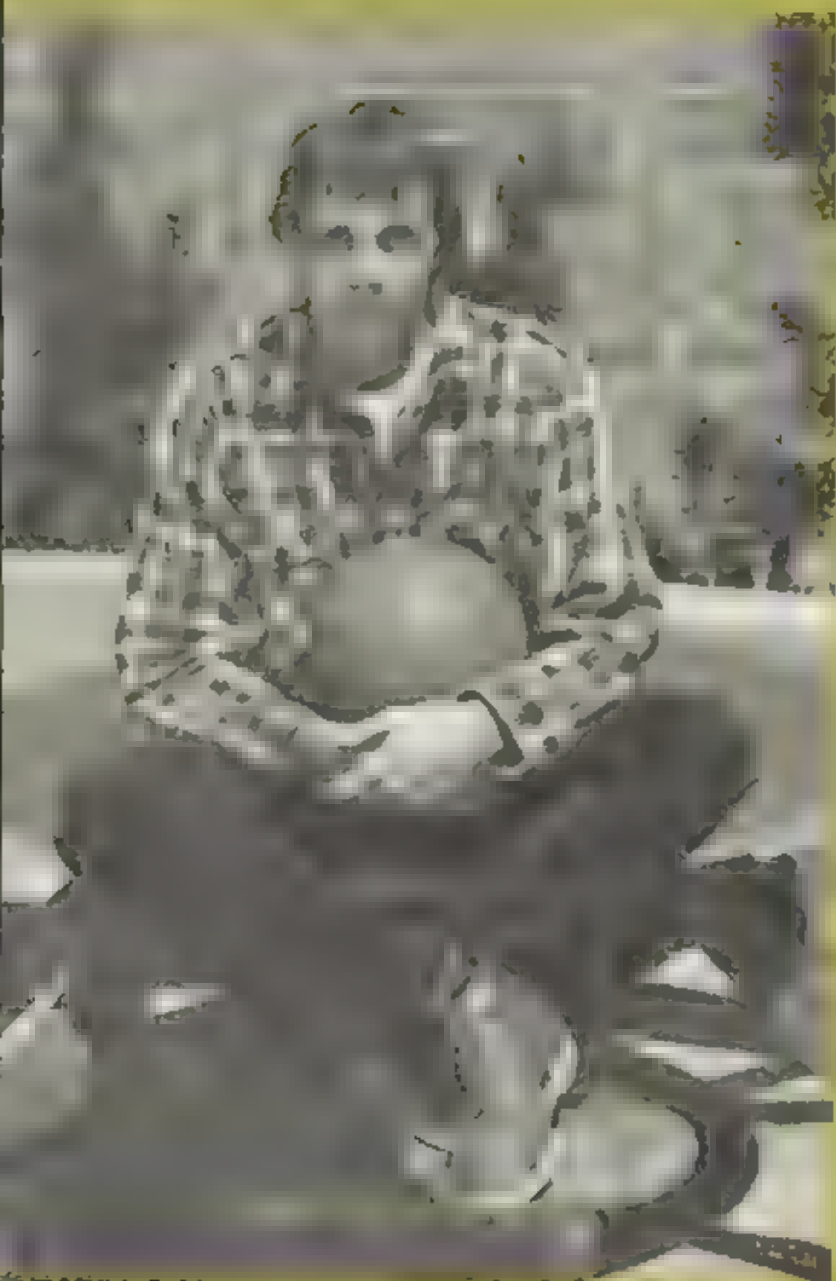

RON KUTZKE CROSS COUNTRY

Ron Kutzke, a sophomore, began his years at Warren with determination and success. He finished first in league finals with a two-mile time of 9 minutes and 51 seconds. This Bear awaits next year with great ambitions.

ERIC HIPPLE FOOTBALL

Eric Hipple was the Bears' Captain and Quarterback with a record of 526 yards rushing and 1033 yards passing. He was the leading scorer on the SGVLA with 17 touchdowns. Eric was voted to the San Gabriel Valley All League Team. He has been awarded a scholarship with Utah State University.

TERRY BEATTIE BASKETBALL

The heart of the Varsity Basketball Team, senior guard Terry Beattie, was outstanding through out the season as he averaged 14 points a game. Terry was voted to the San Gabriel Valley All League Team.

Hours of practice As games and styles improve

ERIN HIRSCH MARLA SHEEHAN GIRLS' TENNIS

Co-Most Valuable Players in tennis were Marla Sheehan, a Junior with nine wins and two losses; and Erin Hirsch, a sophomore with eight wins and one loss. These two players rallied back and forth for the position of number one singles.

CARLA MOELLER VOLLEYBALL

Carla Moeller is an excellent player, setting a good example for the team. She did a good job leading the team with expert spiking and readiness for action. Carla is also President of the newly formed Letterwomen's Club.

pay off
the times.

BOB VETTER SWIMMING

Throughout the season, Bob Vetter swam his way to San Gabriel Valley All-League Team. In CIF qualifications, he placed fourteenth among all the S-A schools with his 100 freestyle time of 5:1 seconds.

CHIP PARMELLY WATER POLO

Chip Parmelly, the lead man on the Water Polo team, led the Bears with his outstanding offense. Playing Chip averaged 5 goals a game and ended the non-league competition season with 100 goals total.

RON WARREN WRESTLING

Ron Warren, at 45 lbs., led Warren to many victories. With a 16-2 record and a place winner at two tournaments, Ron was one of the Bears' top men.

DER GLASSMANN UND

RCLASSSMEN

Transition denotes bedlam. Transition denotes the process of becoming an integral part of school activities, pouring boundless energies into school spirit as well as academic work. Transition was the key word for the sophomores and freshmen. Jumping from junior to senior high, from oldest to youngest, from structured and organized scheduling to confusion required strength and unity. But somehow everyone came through the initiation with a broader scope of understanding.

CLUBS CLUBS

CLUBS

Students play an important part in school life. Formal classroom education is important, but through social activities students are given the opportunity to meet other students in a relaxed informal atmosphere. Social life is an important part of learning, and the same is learning Math, but learning needs time and uncombined effort. With more than 30 clubs on campus, there should be something to interest in almost everyone. Each student should be able to pick a club with interest and have fun.

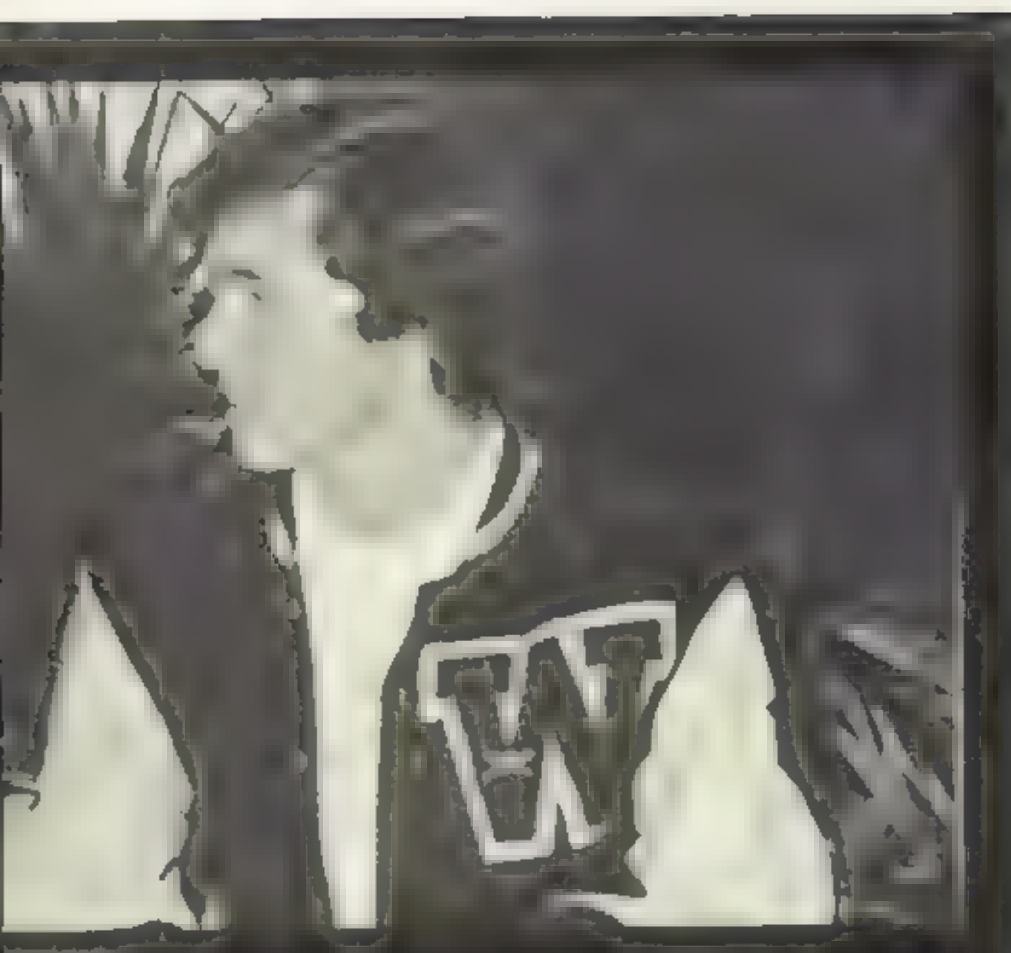

Interact Club is a service club that dedicates themselves to helping the community, whether it be by washing cars, planting trees or singing Christmas carols in a convalescent home. Some of the Interact activities this year were the Donkey Basketball game, a car rally, and helping at the Downey Theater. Interact is sponsored by the mens Rotary Club of Downey. The three sponsors of Interact are Gary Orsinger, Bob Spights, and Gary Hunter.

On campus or off, Les Devoures is a club serving both the school and community, as well as raising money to meet the cost of social events. Throughout the year, Devouree members do volunteer work for Rancho Los Amigos Hospital and the Heart Association, along with making money from their enchilada sale. Money was spent on a Christmas dance, weekends in the snow and two scholarships awarded to outstanding senior members. Weekly meetings make decisions, which, when carried out by the members, keep Les Devoures efficient and outgoing, always ready to serve. The sponsor of Les Devoures is Carol Lords.

Service Unites Clubs

When you say Key Club and Fideles,

Last year, Warren's Key Club received the highest award given to an individual club - 1st place, Gold Achievement - at Key Club's International Convention in Chicago. Showing no signs of letting up, they were awarded the second place trophy last summer at the district convention in San Diego and continue to enjoy the leadership role in the state. Warren's Key Club participates in a great number of various events and service endeavors from tree-planting to work with the elderly, and charity collection to the decoration of the Downey Ross Float. The Sponsor of Key Club is Wayne Johnson.

Les Fideles is a prime example of an campus service club. The main purpose of the club is to provide and promote voluntary service to the school and the community. Throughout the year the members maintain steady participation in three local voluntary bureaus and a convalescent home. In addition to these services a sponsorship has been taken on by the club of a young Brazilian boy. Social events find Les Fideles members at Christmas dances or pizza parties or even carousing around neighborhood streets caroling tunes. When the treasury is low casual bake sales are held to boost the financial status back to normal. All in all, Les Fideles has emerged this as a enjoyable and fulfilling service club. The sponsor of Les Fidelis is Edy Hastings.

You've said it all

Around the World

A new club on campus this year is the Latin Image. It was formed because Mexican students at the school wanted something to do and show that they are also proud of Warren. In their meetings they discuss many racial problems and differences and have conquered many of these hurdles. Sponsors for this club are Rebecca Saffell, Catherine Fraser, Mike Coppenger and Ron Rothery.

The German Club sponsored by Mr. Hunt, has helped its members achieve better insight into the German language and culture by attending a variety of German films. To their delight, the German Club members also organized a snow trip to Blue Jay, a Christmas party, a banquet, and a beach party.

The purpose of French Club is to further the interest in this ancient European language. They also study the cultures and customs of France. Some of the many activities include attending a theatrical production of Joan of Arc at the Music Center, a Christmas breakfast "the old French way," and a dinner at an exquisite French restaurant.

The European Travel Club is composed of past and future Foreign study league travellers to Europe. The purpose is for past travellers to orient future travellers. Money is raised for a scholarship fund to send students to Europe. There are also gatherings to show slides and reminisce over their travels.

The Spanish Club is for any student enrolled in the Spanish classes and also is open to any student in Warren who is interested in the Spanish language and/or Spanish speaking countries. Students from foreign countries are invited to speak. An annual activity has been a "Friendship Dinner" where students from foreign countries, enrolled at Warren, are special guests. Service projects consist of contributions of clothes, food and school supplies to an orphanage in Tecate, a school in Mazatlan Mexico.

A Mixture of Talents

The aim of this club is to congregate all students who share an interest in the theatre. They attend professional plays such as GREASE. The thespians also work on money making projects such as their thirty-six hour impromptu marathon which earned the club \$1,400. The Thespians are under the expert direction of Mrs. McMillian who has done an excellent job this year

Art Club takes up where other classes leave off. Members get first hand experience in commercial art, art crafts and free hand drawing. The club took a field trip to the Renaissance fair and they helped set up the Stonewood Art Show. Also during open house they set up displays and did demonstrations.

The aim of Audio Visual is to further the knowledge of audio equipment. The club travels to different exhibitions to view the many types of the communication field. Much valuable experience is gained by being in this club

The aim of the Photography Club is to further know and understand the various aspects of photography by actual "exposure." Some of the different processes are, black and white film processing, printing color slides and for advanced students, special effects are employed in the program

Shakespeare Club is a club designed to improve the understanding of students who are interested in this great European author. They see his work through the theatre and different visual aids. Many trips have been taken to plays. All in all, this past year has proven to be a great learning experience for all.

The sole objective of the Math Club is to broaden the students knowledge of their total mathematical surroundings. They attend various demonstrations and math field days. All are eager to learn all they can about this interesting subject.

The members of Mortar and Pestle are made up of a group of labbies, whose duty it is to further the interests in Chemistry. Their main activity is publishing the "Thistle Tube," a newspaper which is available to any chemistry student. The club takes field trips and is valuable to many a chemistry student.

The Library Club's main objective is to assist the Librarian. In the course of their duty, they are exposed to the organization of the library. This knowledge of the way the library is run could help in future years in the event that one of these assistants have a management opportunity. They have certainly helped speed up the library process considerably.

The Chess Club is another of our many clubs. This club allows students to get together with other students who share the same interest playing chess. A tournament is usually played at the end of the school year. Not only does the chess club teach the student how to play chess, but also patience, and developing the skill of getting along with others.

The Athletically

The Letterman's Club is open to all those who lettered in CIF sports. The purpose of this club is to support all athletic events at school. They follow closely with the Varsity Club on activities and responsibilities.

The Varsity Club is a club in which the outstanding athletes in any sport are recommended for membership. They are screened and if they have met the requirements are allowed to join. The club raises money for sports equipment and activities. The club is also one of the most spirited groups at the games.

Outstanding

The objective of the Letterwomen's Club is to bring together girls who have lettered or are in the process of lettering in one or more sports in all girls CIF activities. This Club also promotes spirit and cooperation.

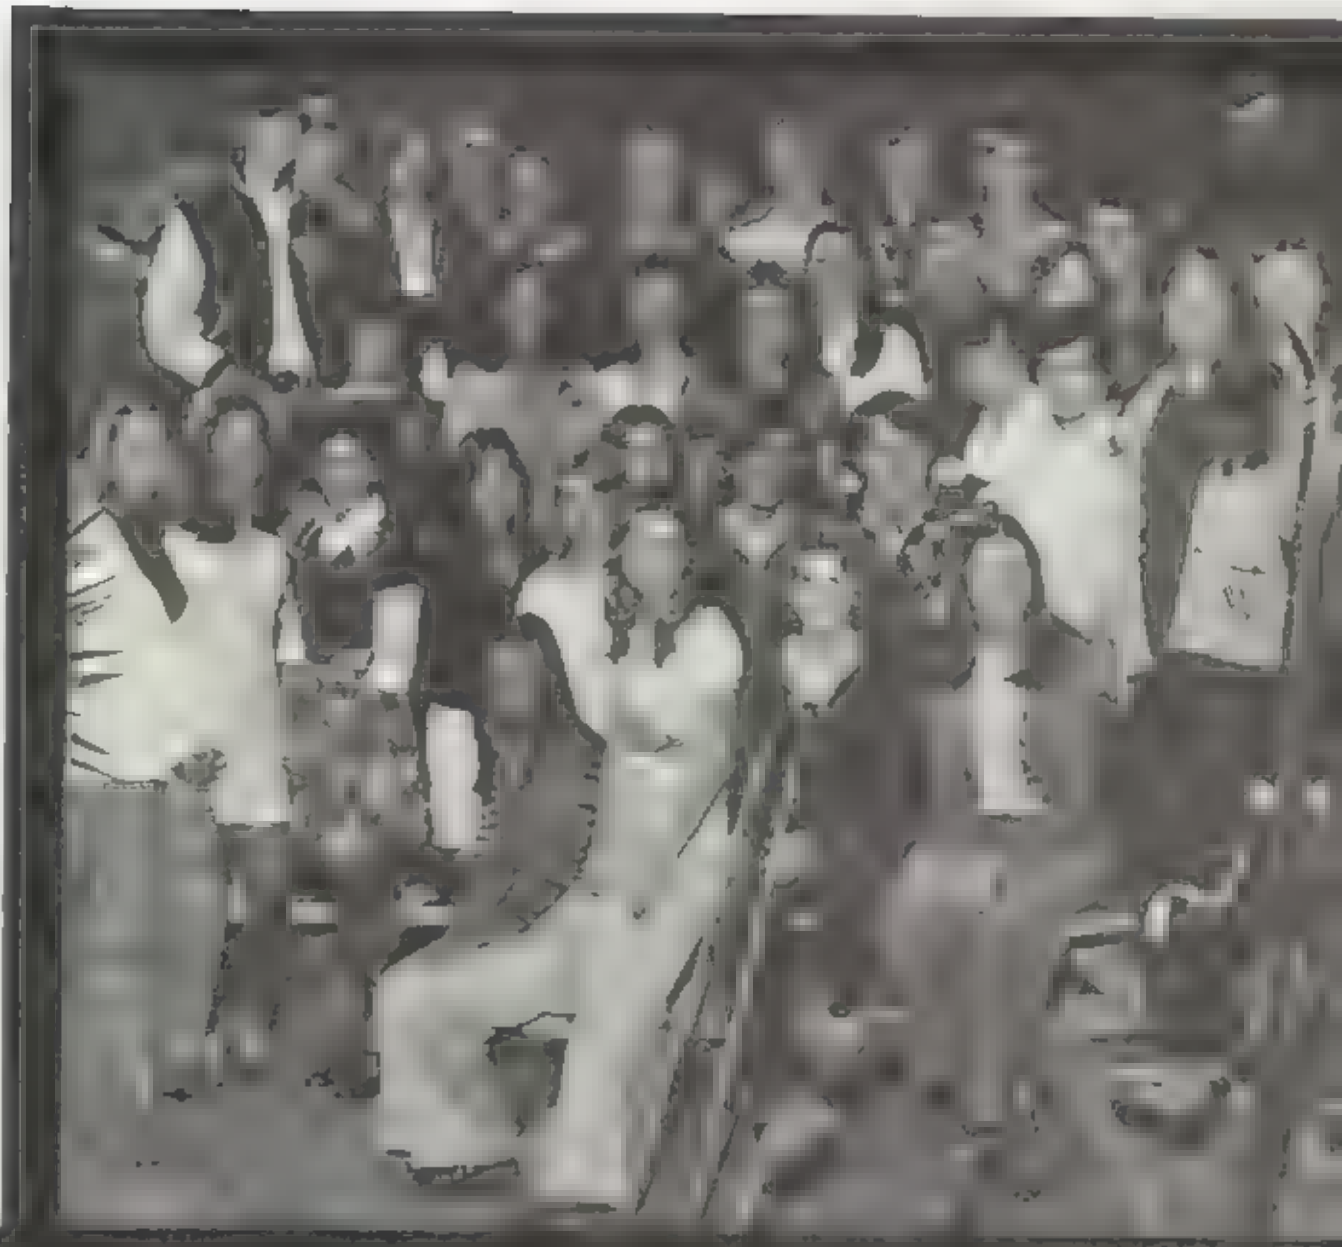

The Volleyball Club has been designed for the purpose of allowing any and every student to learn the fundamentals of volleyball and participate in playing the sport competitively. The club meets Monday nights from 7:30 to approximately 9:00 in the gym, and is for the enjoyment of the student and the advisor within a very relaxed atmosphere. This activity is forerunner to the C.I.F. volleyball season that began in April of 1975. Trips have been planned to watch the United States Volleyball Association Tournaments. Some of the participants include: UCLA, Long Beach State, Pepperdine, Santa Barbara, and others.

Wide World

The Ski Club teaches students who don't already know how to ski, and for those who do, the club gives them a chance to expand their knowledge of skiing even more. Both advanced and intermediate skiers go skiing at Snow Summit and other local areas. The two people responsible for this wonderful student opportunity are Wayne Wolfsburger and Art Luciani. The Ski Club also, from time to time, has guest speakers who give members tips on better skiing.

The Spikettes are a club consisting of girls interested in supporting our cross country and track teams. They go to all the meets and urge the teams on with their cheers. After each meet, Spikettes provide refreshments for the team. Their social activities include a car rally, a Halloween party, and a banquet at the end of each season. The girls also have activities within the club. They sold candy to help pay for their club Sweatshirts; they made stuffed animals for children in the hospital; and they held a Banquet to honor the most outstanding Spikettes.

of Sports

The Pep Club is another of our many clubs on campus. But this club is unique in itself. The Pep Club, run by Miss Eisenberg and President Darla Jepeway, is responsible for the painted signs found around campus before a school activity. They attend all the games and promote school spirit. The Pep Club makes school a happier environment to be in.

Modern Dance Club's objective is to join together to partake of the inner satisfaction and mutual stimulation that is received from working together and from participation in dance as a form of art expression. Also, it is to provide a favorable environment for the creation of dances by the group, which may be performed for their own artistic growth and for the enjoyment and education of theirs.

College Club offers interested students the opportunity to learn about a wide variety of public and private colleges. During the informative weekly meetings, students gain a better insight into the type of college choices that are available to them. The club organizes visitations to local colleges to give students a closer look at the college facilities.

The Business Club is dedicated to expanding the business world to all who are interested. There are many guest speakers from many different walks of life, thus giving students a wider variety of jobs to choose from.

Young Life is an outside club at school, directed at bringing people closer to Jesus. They meet weekly at different members' houses. Games are played, songs are sung, and the whole thing just brings people closer together.

The word Agape is a Greek word meaning the 'Love Feast' which the early Christians had in the first century. Therefore the Agape Club is open to all Christians of whatever denomination. The purpose is fellowship, inspiration and Christian services to the school and community.

The California Scholarship Federation enables the more intelligent people of the school to get together and plan various activities throughout the year. You must have ten points on your semester report card to be eligible for membership. Some of this years activities included a trip to Disneyland and a Progressive Dinner

Girls' and Boys' League are clubs which allow the whole student body to join in. Girls' League major activity is to choose a "Girl of the Month." The car rally is how Boys' League makes most of their money. Again all both clubs help to get the student body more involved

FACULTY

Administration

As we dedicate this yearbook to the Class of 1975, it seems appropriate that we should reflect on their time spent in these halls and their futures as they depart.

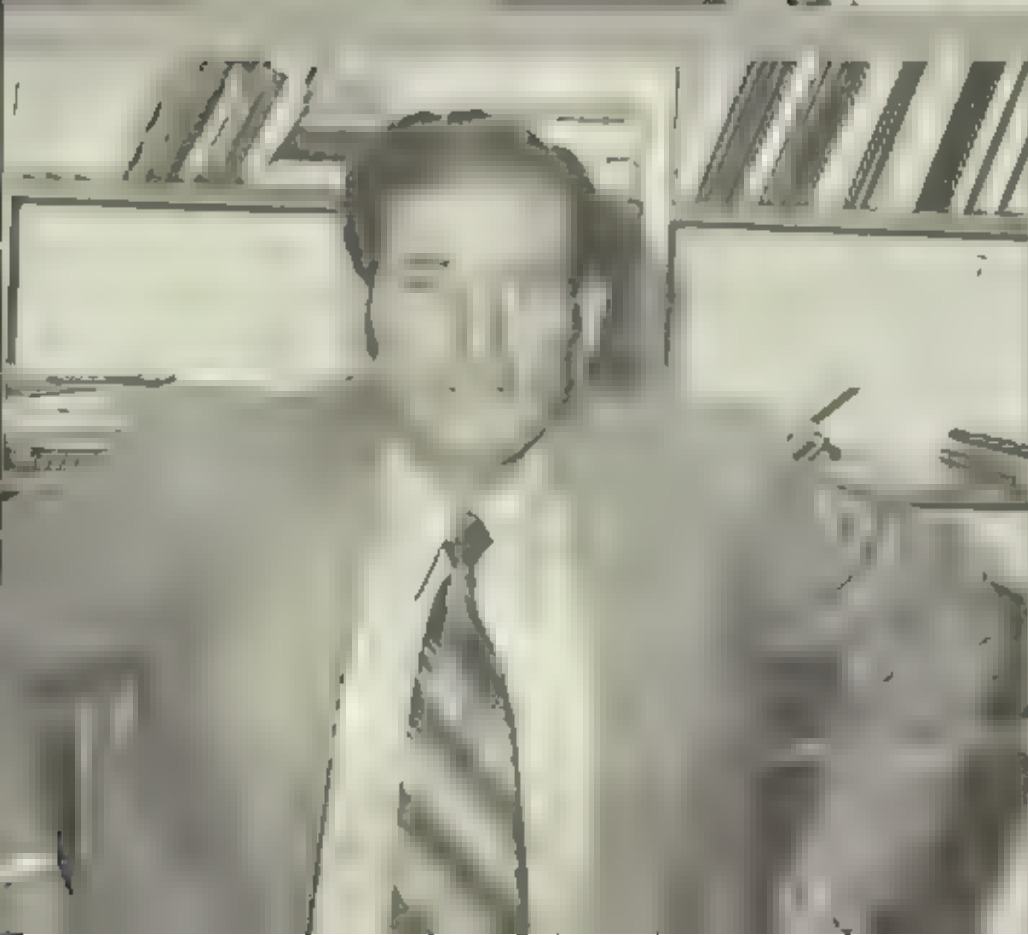

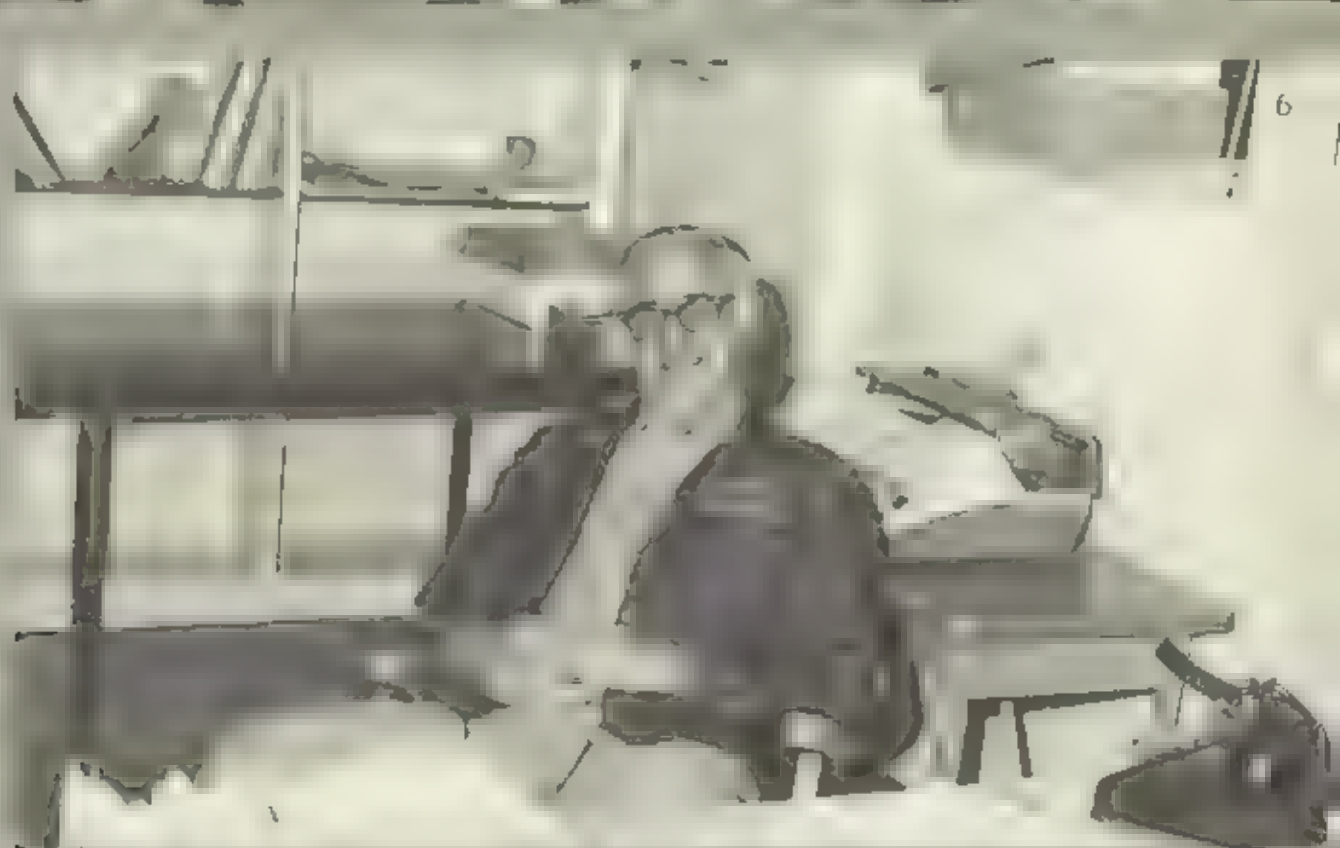

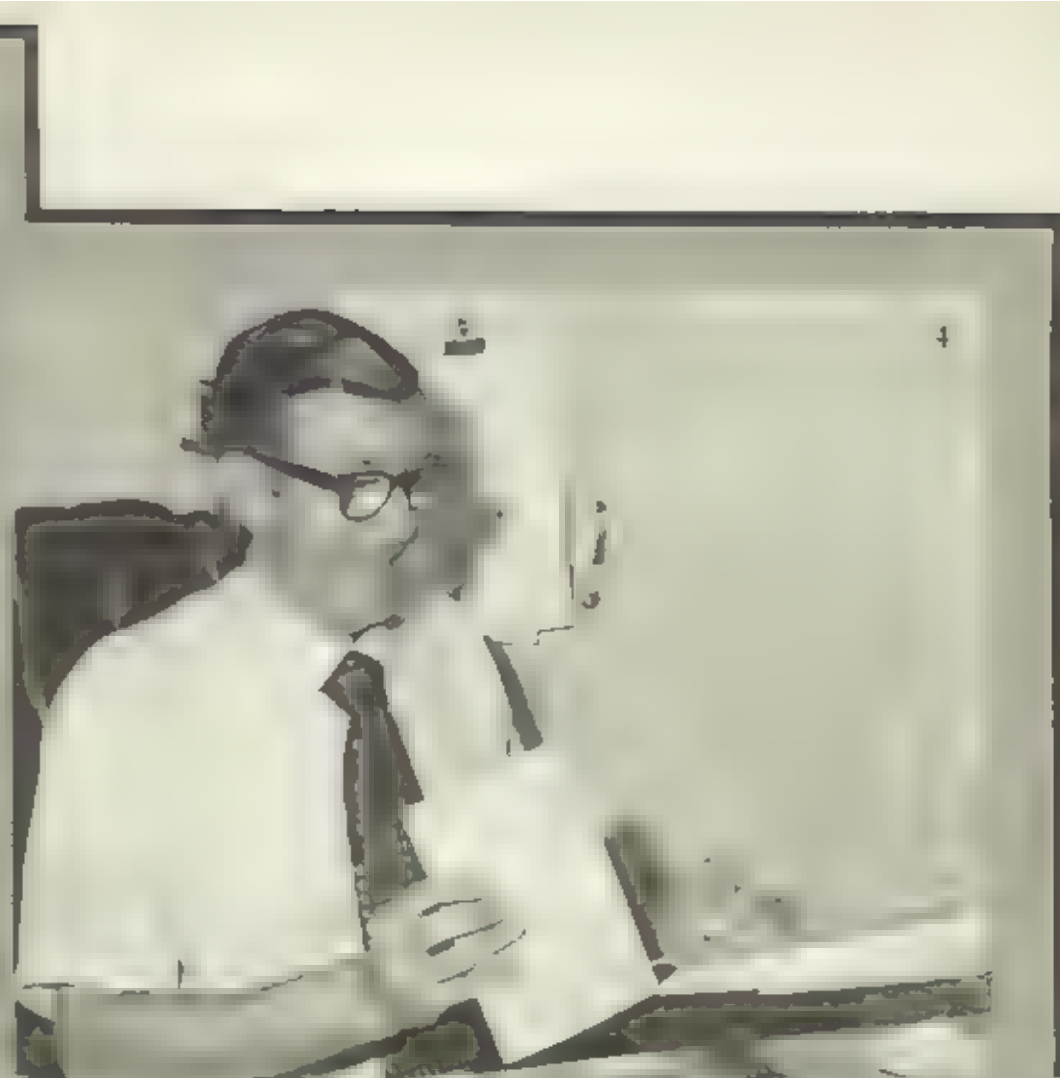

We believe the motto, "Teach me goodness, discipline, and knowledge," best describes our purpose as educators. It is to these ends that we have addressed ourselves during your time here. Each of you has been provided a meaningful opportunity to grow in these areas and we are hopeful that you have striven to achieve a full measure of maturity in learning the lessons of "goodness, discipline, and knowledge." We sincerely believe that there is nothing of greater importance than the acquisition of a good moral character and reputation. We have also attempted to convey to you that ultimately there is no more powerful weapon in the world than Truth, and no more exciting an adventure in life than its pursuit.

On behalf of my colleagues and our staff, with fond memories we ask that as you go forth you remember you entered here to learn so that you might go forth to serve.

The counseling staff is the biggest and best in Warren's history, with a total of eight men and women working together. Throughout the year, they counsel students to help them through high school, adding to that all the information and qualifications needed to go on to college or a vocational profession. Outside of that, they are just plain nice people who are there to help.

Secretaries

A big school and lots of people create loads of paper work and writing for our secretaries. Situated throughout buildings, they work for our administrators in the front office, counselors in the guidance center, and in the attendance office. Between pens, typewriters, and phones, our secretaries keep the books balanced and attendance in order.

1 Mrs. Bonnie Carter, Principals Secretary
 2 Mrs. Elizabeth Shemie, Bookkeeper
 3 Mrs. Ella Lowe, Secretary
 4 Mrs. Allan Wegter, Guidance Secretary
 5 Mrs. Pauline Robinson, Records Secretary
 6 Mrs. Jennie Haast, Guidance Secretary

Custodians and Kitchen Keepers

The appearance of the school, and food are things important to students and faculty members. Our custodians have various jobs, from keeping the school clean, to setting up ladders and chairs for rallies. The cafeteria ladies bake daily so everybody enjoys good food.

Each year the Seniors have an opportunity to select their class favorites. For the first time, the faculty were also given the chance to select their own "Faculty Favorites." They had fun picking and choosing among their fellow faculty members and then finally deciding on who they felt best exemplified the various categories.

Funniest Faculty

They have their Favorites too

It's not hard to see why Harvey Keitel and
Carol Lin were chosen as the couple with the
most laughs. It's not hard to see why he
must be. Carol's eyes show how
they see the world. With a Gary
O'Neil. Here we have the trickiest
couple in the school. Personalities
of Carol Keitel and Larry Keitel
are compared with the Mr. Musketier. And
Mike Campbell, our favorite. Let's go!
The couple. At the school after
school. As Young Educator of the Year. A
new day. A KAH' RAH' KAH' Let's
Frank Lattie and Marge Scott, "most
spotted."

In Memoriam:

Our beloved Mrs. Mildred Thompson who served as the secretary to the principal prior to her death in October, 1974

None knew thee but to love thee
Nor named thee but to praise.

A Tribute

A yearbook is designed to give recognition and to press into the book of eternity all the joys and tears of other days. I should like for the 1975 El Orosio to also express my sincere gratitude to the faculty, staff, and student body of Warren High School. It has been my great joy to serve as your principal during these last four years and I have nothing but heartfelt thanks for the outstanding support and kindness extended to me by so many of you.

Warren High School is a "better place" precisely because of her people. Her teachers and staff are persons who demonstrate a sincere concern about young people and put forth that extra effort to assist them toward maturity. I know of no other high school, faculty, and staff of such stature as ours. It is a daily pleasure to work with the Warren High School family and I shall carry that affection with me all my days.

Let us show you how your backyard garden can become the envy of your community. Using a few water saving drip irrigation systems and a few worm castings (the richest of all) as a fertilizer you can turn an ordinary backyard garden into a higher yielding and amazingly fast growing Organic Garden.

Any creative effort must be more than the conception of an idea; it must be the idea transformed into a real and tangible product that contains all that made it a marvelous thing. The creation of a yearbook depends on more than one idea and one person to conceive or complete it. Like any other major effort, its success depends on many people. The creation of this yearbook has introduced more than the final product to Warren's campus. It has introduced the concept of "deadlining" to many members of the student body and faculty. It has shown some that they were creative and were also responsible enough to stick out some rough times and make those times have many rewards.

This year was filled with change and people had to adjust. In spite of all the adjusting, people found time to be human. While keeping in touch with

their feelings they reached out toward a different future even though many traditions seemed to be undermined by the pace at which that future came. It is the spirit of the year this last year that this yearbook tried to capture and the humanity of our campus that this yearbook tried to illustrate. Without the help of a fine faculty who allowed time for those students who were involved with the yearbook to do work, it was sometimes interfered with their class time, neither change nor humanity would be reflected here.

The 1974-75 EL OROSO staff is pleased to dedicate this special page to the great faculty of Warren High School. It was through their sincere patience that we were able to publish the Warren High EL OROSO. Therefore we would just like to say

WARREN

AND SO ENDS

As the year ends, I thought it would be kind of an experience to write a retrospect, (retrospect: a looking back on things past) so that we can always reflect back on the "good times" as well as the bad. Yet, I find myself at a sudden loss for words. This is not because there were neither good nor bad times, it is just that as I start thinking of times past, I find myself getting very sentimental and mushy. So first, I'd like to try to explain a very familiar place with very special people trying to do a very monumental task. I am speaking, of course, of T-1, The El Orosco Staff, and that 320 page 9 x 11" 'strain on the brain'. First off, and I speak for all "yearbookies", I will remember the place it happened, T-1. It is like a second home, an overgrown locker, a cafeteria, a place with comfortable tables after a night of hard work, a flag twirling room during tryout season, a sign holding room during football season, a place to hang clothes from Mrs. Kennedy's book shelf, an Editor ripping her hair out, a room out of the cold with a good

heater. (ya know, I'm not kidding about that heater either) But most important, it was our Yearbook Room. Somewhere that was always there, always open, smiling at you and waiting to see you. We were kinda like food, the room being a stomach. It ate us and we produced the product from ourselves that would profit the body. (the body being the school). We produced the El Orosco. Day after day, the room got homier and homier, and after awhile, (despite all the janitor's efforts to keep it neat) it got to be our second home. It's not that it was messy, it's just that you could tell it was well lived in, with belongings of people distributed throughout. But these possessions were ours, and we, like one big family, lived here. I say a family because that is what we were. Brothers and sisters who loved each other, but also who fought sometimes like cats and dogs. A Mother? Of course we had one. Our mother, shoulder, and confidence, none other than our fearless leader, Mrs. Kennedy, more affectionately known as "Ms. K." I

ANOTHER YEAR...

must say, I don't know of a more devoted teacher who spends her weekend days and sometimes nights with us, breaking through to the bitter end. She is still our respected teacher, but more important, our respected advisor and friend who we are grateful for, who eats hamburgers from McDonalds with us, who doesn't always agree with us, but takes the time to straighten things out just the same. There are other teachers who have helped us tremendously, but especially I would like to thank Mrs. Scott, our second fearless leader when Mrs. K wasn't there, and whose back room supplied us for the year with coffee and laughs from all her labbies. The next asset to our book was Mr. Rice. He graciously opened the room every Tuesday night so that we could get a few hours done before Mrs. Kennedy returned from her class, and checked on us on his breaks from night school teaching to make sure we were not cooked by the heater. (I told you that heater really worked). This last person is surely to receive the biggest kiss ever: Mr. Coppenger. Like everyone else in the school, we truly love him too, for it was in his darkroom that all those pictures you are looking at were made. He was always there to let Bruce work after and during school; and he was always there to talk and laugh with.

Now as for the staff. I can't explain the whole staff to you because that would be a book in itself. Though some things I will never forget. It started out with Yearbook Camp during the summer and never quit till now. When I was the only one on the first day of school with an armload of books coming from the car, I knew just what kind of a year it was going to be. We went thru 1,003 hamburgers, almost that many rolls of film, 63 temper tantrums, 6 cases of Linda's injuries, 10 all nighters and sunrises, 20 times of calling Sue at work in the afternoon to hear her say, "Capizzi Insurance", one mating season and birth of Kelly's rabbit, two sets of tryouts having Laurie and Darla making Flag Squad, 3,063 cups of coffee, 96 cups of tea for Kelly, Charlotte's dislocated hip from Easter Vacation, 953 final layouts, 67 grease pencils, 10 pair of croppers, lots of finished pages with no pictures, lots

of scheduled pictures with no photographers, and 9 rolls of film on Miss Nimrod. We were the ones who used up all the toilet paper in the S Hall bathroom, and whose cars always got locked into the schoolyard after the janitors left. But that was okay because we would still be there when they came to open the gates in the morning. I wore out my fifth pair of deck tennies running down people and used 536 gallons of gas running to Pace, McDonalds, and Pronto Market for pictures and food during deadlines. Our bargain stereo buy at the beginning of the year has now blown up three times, and will probably blow up another four times next year. We never saw all that much of our beds this year, we never saw all that much of our families, in fact, we hardly saw our houses. We have seen each other with dirty hair, chewed fingernails, nervous acne, and slap-happily laughed to grossness after 1 o'clock A.M. We have listened to family problems, school problems, and girl/boy friend problems of emotionally disturbed yearbookies. Sue S. is still arguing with Papa Joe about distribution, Sue D. is still going to marry Larry, Sylvia is getting the shakes about next year, John is still bragging, Jacqui is still drinking coffee. All these things, along with numerous obscenities and unmentionable happenings have been a part of us. We thank God we were hardly ever caught sneaking out the gates during the day for those important errands, that we never got mugged coming back to school at night to work, that we never literally failed any classes, and that we never lost our family, best friends, or boy/girl friends as a result of jealousy to Yearbook.

Well, here you have us, the crazy Yearbook Staff of 1975. Don't say we wasted these two pages on a bunch of garbage on us. We used a lot of pages on all of you. Besides, you can use the extra space for autographs. We are now all insane, (at the beginning of the year only the returning yearbookies were), bugged eyed, our hair has rubbed off, and we are pooped. But we have memories of times that will never be forgotten. We will think of them often at first, then, later, not so often; but still they will always be untouched by time, maybe not as clear as at first, but

they will be there, as special as ever.

All this, of course, you knew I was leading up to something, is a big **THANK YOU**. I'd like to thank the staff, who knows what I'm really like but puts up with me anyway, all my friends for giving me unforgettable memories, my Mom and Dad who I almost drove crazy this year and who always believed in me, my sister, Judy, whose room I turned into a yearbook study every night, Kerry, my "bestus friend," who has been my love and confidence since 8th grade, Kelly Jo, my yearbook partner and friend, who I love with all my heart, and Winnie the Pooh.

As I start to end this expose, I would like to say thank you to the student body, you were really fun to write a book about. We had hopes and dreams of giving you the best yearbook possible. We worked our tails off and did our best for you. If you like the book, I'm glad, really glad. If you don't, please don't tell us.
